MOTIONS

6. **Call to Restore Electric Power Supply to Gujba, Katarko, Buni Yadi, Goniri and Buni Gari Towns of Gujba Local Government Area of Yobe State:**
Hon. Abdullahi Usman Kukuwa:

The House:

Notes that electric power supply was disrupted in the Communities of Gujba, Katarko, Buni Yadi, Goniri and Buni Gari Towns of Gujba Local Government Area, Yobe State in the wake of the Boko Haram onslaught;

Aware that hitherto the disruption of the electric power supply, economic and social activities in the affected communities has been very impressive;

Worried that the absence of electric power supply in the affected communities has led to loss of jobs and the security of the affected communities threatened;

Concerned that the absence of such amenity has subjected the affected communities to untold hardships and brought their economic power to a halt for over 3 - 4 years;

Desirous of restoring the people of the affected communities back to economic and social based economy;

Appreciates the intervention of the Executive Governor of Yobe State in reconstructing the blown off bridges by the Boko Haram sect and rehabilitation of the road from Damaturu to the Border between Yobe and Borno States.

Resolves to:

- (i) Urge the Adamawa Electricity Distribution Company to restore power supply to Gujba, Katarko, Buni Yadi, Goniri and Buni Gari towns of Gujba local Government Area;
- (ii) Mandate the Committee on Power to ensure compliance.

7. Need to Reform Nigeria's Tertiary Educational System.

Hon. Ayodele Oladimeji

The House:

Notes that the strategic importance of education to any nation cannot be over emphasized being the fulcrum of national growth and development;

Also notes that tertiary education is the platform for developing human capital for social, economic and technological transformation and advancement of any nation;

Again notes that right to education is a fundamental human right and a tool of attaining not only academic excellence but also social justice and progress, through which citizens achieve not only personal growths, but also develop their civic and political consciousness;

Worried that Nigeria loses a minimum of N1trillion to education tourism annually because about 75,000 Nigerians are currently studying in Ghana, Benin Republic and Egypt Republic;

Also worried about the dwindling quality of Nigeria's education thus making our graduates unemployable, as no fewer than 1.8million graduates in the country move into the labor market every year with the hope of getting jobs that are not in sight;

Informed that numerous problems beset Nigeria's educational system leading to poor quality and exodus of our youth from tertiary education; these include inadequate funding and infrastructure, epileptic power supply and examination malpractices;

Aware that the Nigerian Government allocates 7% of the national budget to education which is far from the 26% budgetary allocation recommended by the United Nations Education and Scientific Organization (UNESCO) for developing countries like Nigeria;

Also aware that Nigeria's educational sector needs urgent reform, failing which it will continue to spiral down and Nigerians will continue to spend their hard earned foreign exchange in financing education tourism;

Resolves to:

- (i) Urge the Federal Ministry of Education, National Universities Commission (NUC) and the National Board for Technical Education (NBTE) to carry out a holistic reform that would make Nigeria's tertiary Institutions internationally competitive, and to support its national economic development and growth plan;
- (ii) Mandate the Committee on Tertiary Education and Services to work with the Federal Ministry of Education (FME) and the relevant agencies to ensure implementation and report back within 6weeks for further legislative action.
