- (i) ***Need to Curb the Unending Cycle of Severe Flooding and Grief in Bayelsa State:***

Hon. Diri Douye (*Yenagoa/Kolokuma/Opokuma Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and

(b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Curb the Unending Cycle of Severe Flooding and Grief in Bayelsa State:

The House:

Notes that floods, one of the most common hazards facing humanity, are caused by a variety of factors, including a sudden rain, over flowing rivers, tidal surges, as well as dam failures, and can result in severe humanitarian crises;

Also notes with utmost concern, that flooding is a scourge in many communities in Nigeria and is exacerbated by poor infrastructure and poor implementation of development plans;

Aware that this year's floods affected twelve (12) States, about 80 Local Government Areas (LGAs) have been identified as frontline zones, affecting 2.92 million people (over two hundred people dead) and displacing in excess of 1.5 million of them, resulting in pressing humanitarian needs and diseases such as cholera as major risk, according to the National Emergency Management Agency (NEMA);

Cognizant that the report by the Nigeria Meteorological Agency's (NiMet's) 2018 Seasonal Rainfall Prediction, SRP, indicated that so much water would overflow the banks of West Africa's two major rivers, Niger and Benue into numerous cities and communities once it rains, unless adequate provisions are made to accommodate the huge volume of water, especially in the areas that are contiguous to these rivers, flooding;

Regrets that notwithstanding such early warnings from the Nigeria Hydrological Services Agency that the Benue and Niger Rivers were close to reaching the levels of that of 2012 which caused the death of more than 350 people and wiped out scores of homes, farms and other property, the Federal Government, far from being proactive, has continued to function more as an information bureau, providing statistics of casualties, rather than perform its core constitutional mandate to protect citizens by anticipating and mitigating disasters, as well as, responding appropriately during emergencies;

Distressed that Bayelsa State is one of the worst affected and the floods have damaged agricultural lands, homes, power and telecommunications supplies, with no fewer than 300,000 persons displaced while the numbers keep growing even as water levels continue to rise daily;

Also distressed to report that the floods have sacked 49 communities across the eight Local Government Areas of Bayelsa State; including but not limited to Sampou, Kaiama, Odi, Opokuma, Sabagreai and Igbedi in Kolokuma/Okpokuma Local Government Area, a substantial part of the State capital, Yenagoa and its environs, especially Tombia, Akempai, Agudama- Ekpetaima, Akemfa; as well as Ofonibiri, Amasoma, Ekowe, Olugbobiri, Angiama, Otuan, Oporoma in Southern Ijaw Local Government; Imiringi, Ayama-Ogbia and Otuogidi in Ogbia, and Trofani, Adagbabiri, Odonni, Sabama, T'oru-Orua and Bolou-Orua in Sabama Local Government Area; Tamogbene, Foutorugbene I-IV, Aleibiri, Obrigbene, Ayamassa, Peretorugbene, Amanagbene and Ekeremor in Ekeremor Local Government, Egwe-ama in Brats Local Government among others, with patients removed from hospitals and residents rendered homeless, due to submerged markets, schools, hospitals, churches and farmland with crops nearing harvest;

Commends the resolve and exemplary leadership of the Governor of Bayelsa State, His Excellency, Seriake Henry Dickson, first for closing all schools in Bayelsa with immediate effect to enable their managements take the students back to their parents for safe custody, again for converting the schools to IDP camps and strongly support his appeal to the Federal Government to significantly increase the level of humanitarian assistance to the state and declare it a national disaster zone as it did on the 18th of September, 2018, in respect of Delta, Kogi, Anambra and Niger States;

Also commends and appreciates the initiative of NEMA to setup a State office in Yenagoa and for the evacuation of displaced person to the Internal Displaced Persons (IDPs) camps and urge the agency to further scale up its intervention to mitigate such terrible calamity, prevent the outbreak of epidemics and avert the collapse of social order;

Resolves to:

- (i) urge the Federal Government, National Emergency Management Agency (NEMA), the Ecological Fund Office and related agencies of Government to be more proactive in their strategy to tackle the seasonal menace of flooding, investment in better drainage and improvements to infrastructure to aid the development of communities in coastal areas, better maintenance of dams as well as the construction of dykes to keep flooding in check;
- (ii) also urge NEMA to redouble its efforts in bringing succor to Bayelsa State and similarly deluged States to avert greater humanitarian crisis and epidemics;
- (iii) further urge the Federal Government to establish permanent Shelter Centers in the eight Local Government Areas of the State to deal with the dilemma of accommodating displaced persons during floods, given that Bayelsa is prone to this phenomenon due to its below sea level status; and
- (iv) mandate the Committees on Emergency and Disaster Preparedness, and Environment and Habitat to interface with the National Emergency Management Agency, the Ecological Fund and other related MDAs to ensure that the national emergency and disaster response preparedness is sharpened and aligned to international best practices and report back within two (2) weeks (*Hon. Diri Douye — Yenagoa/Kolokuma/Opokuma Federal Constituency*).

The Execution of Voluntary Health Workers, Saifura Khorsa and Hauwa Lima by Boko Haram Sect and the Urgent Need to Rescue the Remaining Health Worker, Alice Loksha in Captivity:

The House:

Notes that on Thursday, 1 March, 2018, three selfless citizens of Nigeria who are voluntary health workers with the United Nations Children Fund (UNICEF) and International Committee of the Red Cross (ICRC), Saifura Khorsa, Hauwa Mohammed Liman and Alice Loksha, were abducted by Boko Haram set in Rann, Kala Balge Local Government Area of Borno State;

Also notes that these health workers; apart from being mothers, wives, sisters, daughters and constituents, were voluntary health workers providing healthcare and humanitarian assistance to devastated victims of boko haram sect in Rann, Kala Balge Local Government Area;

Aware that the moment the news of the abduction of these health workers got to the Federal Government, it immediately opened up a negotiation channel with the sect for the safe release of the abductees; while it also received briefs from UNICEF and ICRC;

Further notes that despite the negotiation initiated by the Federal Government for the safe release of these innocent Nigerians, the Boko Haram sect has decided to tow this part of tragic execution of two of the captives;

Cognizant that the remaining abductees, Alice Loksha, together with Leah Sharibu who was kidnapped in February 19, 2018, alongside dozens of her schoolmates in Oapchi, Yobe State, are still under captivity as the sect threatened to use them as slaves;

Resolves to:

- (i) observe a minute silence in honour of the deceased;

- (ii) urge the Federal Government to as a matter of priority expedite negotiations for the safe release of the remaining abductees;
- (iii) also urge the Federal Government to intensify efforts in collaborating with other countries of the world to acquire advanced technology equipments for terrorism information gathering and satellite full imagery devices that can help in the fight against terrorism; and
- (iv) further urge the nation's development partners not to relent in their aid and support for counter terrorism in Nigeria (*Hon. Chike John Okafor — Ehime Mbano/Ihitte Uboma/Obowo Federal Constituency*).
