MOTIONS

6. **Need to Check the Use of Chemicals Dangerous to Human Health in the Preservation of Food for Sale to the Public:**
Hon. Joseph Edionwele:

The House:

Notes that it is the primary responsibility of government to provide for the welfare, health and security of all its citizens knowing fully well that Health is Wealth, and a healthy Nation is a wealthy nation;

Aware of reports in the media on ignorant use of sniper (insecticides) and other chemicals in the preservation of food items like beans and meat as a way of preventing weevils and flies by food vendors;

Also aware that such chemicals (insecticides, herbicides etc.) have toxic side effects which could trigger deadly diseases such as cancer and kidney ailments, according to medical experts;

Cognizant of the urgent need to check and eliminate such potential threats to human health and life by the unwholesome practices of food vendors in the bid to maximize gains at the expense of public health and safety;

Also worried that public awareness on the dangers of these unwholesome practices is very low, and the regulatory agencies such as the National Agency for Food and Drug Administration and Control (NAFDAC) and the Consumer Protection Council (CPC) are not known to have initiated modalities to monitor and eliminate these practices along the food processing chain;

Resolves to:

Mandate the Committee on Healthcare Services to liaise with the National Agency for Food and Drug Administration and Control (NAFDAC) and the Consumer Protection Council (CPC) to initiate modalities and mechanisms for creating awareness among the populace on the grave danger and evolve effective means to check and eliminate the unwholesome practices.

7. **A Call on the National Agency for the Prohibition of Trafficking in Persons (NAPTIP) to Wade into the Matter of 'Money-Women' in Bechev Community in Obanliku Local Government Area of Cross River State:**
Hon. Ochiglegor Idagbo:

The House:

Notes that the Bechev Community in Cross River State, consisting of over 17 villages, engages in an age-long tradition where a young girl known as 'money woman' is sold out in marriage to pay a debt incurred by her relatives long before she was born;

Also notes that the 'money woman' custom is practiced openly among the Bechev people in Obanliku Local Government Area of Cross River State as a thing of pride and accomplishment as there is hardly any family among the Bechev people without a 'money woman';

Worried that a 'money woman' is not allowed the right to education and if she gives birth to a baby girl, the baby will be sold out without her consent;

Also worried that when a husband of a 'money woman' dies, the next of kin of her husband marries her and if she dies without giving birth, her parents are obliged to bring a replacement as demanded by the custom;

Aware that the Bechev custom is repugnant to natural justice, equity and good conscience and constitutes slavery in the 21 Century;

Resolves to:

Urge the National Agency for the Prohibition of Trafficking in Persons (NAPTIP) to wade into the issue of 'money woman' in Bechev Community in Obanliku Local Government Area of Cross River State to bring an end to the obnoxious practice.
