**PRESIDENT,
FEDERAL REPUBLIC OF NIGERIA**

27th November, 2018

*Rt Hon. Yakubu Dogara
Speaker of the House of Representatives,
National Assembly Complex,
Three Arms Zone,
Abuja.*

Dear Rt Hon. Y. Dogara,

***PRESIDENTIAL DECISION TO DECLINE ASSENT TO THE NATIONAL
BROADCASTING COMMISSION (AMENDMENT) BILL, 2018***

Pursuant to Section 58 (4) of Constitution of the Federal Republic of Nigeria, 1999 (as amended), I hereby convey to the House of Representatives, my decision, on 26th November, 2018 to decline Presidential Assent to the National Broadcasting Commission (Amendment) Bill, 2018.

I am declining assent to the Bill because the amendment to the powers of the Commission deletes the existing paragraph 2 (1) (u) which contains an important omnibus clause that grants the commission incidental powers which are not specifically provided for in the other sections of the Act. We suggest that a more appropriate approach for the amendment is for the creation of a new paragraph "u" as contained in the Bill and the renumbering of the current paragraph "u" as a new paragraph "v".

Please accept, Right Honourable Speaker, the assurances of my highest consideration.

Yours Sincerely,

(Signed)

Muhammadu Buhari

8. **Matters of Urgent Public Importance (Standing Order Eight, Rule 4)**

- (i) ***Need to Save Eko Bridge, Long Bridge in Fadeyi, Ojuelegba and National Stadium Bridges from Imminent Collapse due to Parking by Tankers, Trailers, and Other Articulated Vehicles in Lagos State:***

Hon. Enitan Dolapo Badru (*Lagos Island I Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Urgently Save Eko Bridge, Long Bridge in Fadeyi, Ojuelegba and National Stadium Bridges from Imminent Collapse Due to Parking by Tankers, Trailers, and Other Articulated Vehicles in Lagos State:

The House:

Notes that Eko bridge is one of the busiest bridges in the country with a vehicular traffic of over a million cars daily and links Lagos Mainland with Lagos Island which is the commercial nerve centre of the country;

Also notes the continued permanent parking of trailers, petrol tanker trucks and other articulated vehicles starting from long bridge in Fadeyi, Ojuelegba bridge, National Stadium bridge and directly to Eko bridge in Lagos State;

Further notes that the four bridges in question are the bridges that link Ikorodu road, Fadeyi, Ojuelegba, National stadium and Eko bridges from Ibadan expressway to the Apapa wharf, the nation's number one sea port;

Aware that for the past six months, trailers, petrol tanker trucks and other articulated vehicles have made the top of the four bridges their permanent parking place while they wait for their turns to load or offload at the wharf;

Also aware that these bridges were not designed to carry such heavy trucks on daily basis not to talk of parking permanently on the bridges;

Further aware that our traffic laws forbid parking of any vehicle on bridges, because it may lead to bridge collapse; and that all over the world, cases of bridge collapse since 1800 till date have been as a result of bridges carrying more weight over a period of time as against the initial designed weight;

Still aware that many traffic accidents with some resulting in fatalities have occurred as a result of arbitrary parking of these trailers on the bridges;

Concerned that these bridges serve as commercial route for multi-billion Naira businesses and that the collapse of any or all these bridges will bring unimaginable disaster to the Nation's economy, and loss of lives;

Cognizant that there are established parks for these articulated vehicles within and outside Lagos State, especially neighbouring Ogun State to park while waiting to load or offload at Apapa Wharf;

Disturbed that the drivers have refused to use the designated parking areas and prefer to park on the bridges,

Also disturbed that our security agencies who ought to enforce the traffic laws seem to have been overwhelmed by the sheer number of trailers, tankers and articulated vehicles;

Worried that vehicular activities will increase on Lagos roads especially Yuletide period and this will further put more pressure on the stability of the bridges. This only compounds the case as a disaster waiting to happen;

Also worried about the security implications of having these trucks parked on the bridges at this period, as hoodlums, miscreants and robbers are now using the opportunity of the traffic gridlock to perpetrate evil, and rob innocent citizens, motorists and commuters on daily basis especially at night;

Resolves to:

- (i) urge the Inspector-General of Police and head of other relevant Security Agencies to, as a matter of urgency, evacuate these heavy vehicles from the bridges and compel drivers to use parks established for them and prosecute those who flout the order; and
- (ii) call on the Federal Ministry of Works, Power and Housing to carry out comprehensive inspection and evaluation of the bridges with a view to ascertain their viability and potency (*Hon. Enitan Dolapo Badru — Lagos Island 1 Federal Constituency*).

Agreed to.

(HR. 97/12/2018).

Motion referred to the Committee on Works, pursuant to Order Eight, Rule 9 (5).

- (ii) ***Need for Legislative Intervention to Maintain Industrial Peace in the Country:***
Hon. Muhammed Sani Zorro (*Gumel/Gagarawa/Mai Gatari/Sule Tankarkar Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need for Legislative Intervention to Maintain Industrial Peace in the Country:

The House:

Notes with concern, the on-going strike action by members of the Academic Staff Union of Universities (ASUU), which has paralyzed academic activities of most public universities;

Worried by the reluctance of the Presidency to transmit the Tripartite Agreement on National Minimum Wage to the National Assembly for legislation;

Alarmed by threats of industrial action by organized labour in the face of the stalemate caused by the failure to facilitate the due process needed for appropriate resolution of the dispute;

Disturbed that members of the Parliamentary Staff Association of the National Assembly also picketed our two (2) legislative Chambers on Tuesday, 4 December, 2018, to draw attention to their grievances;

Consistent with the established tradition of the National Assembly to intervene in labour disputes;

Resolves to:

- (i) urge the President to transmit the Tripartite Agreement on National Minimum Wage to the National Assembly for legislation, to avert the looming industrial action threatened by organized labour, with the potential of paralyzing the nation's socio-economic and political activities and its attendant costs;
- (ii) also urge the Federal Government to henceforth display good faith in implementing the age-old agreement mutually reached between it and ASUU, so as to check the union's incessant strikes as it's only weapon of compelling government to the negotiating table all the time; and
- (iii) set up a Joint *Ad-hoc* Committee of the Senate and House of Representatives to investigate the remote and immediate causes of the Tuesday, 4 December, 2018 industrial action by members of the Parliamentary Staff Association of the National Assembly, and make appropriate recommendations to the 2 legislative Chambers for appropriate action (*Hon. Muhammed Zani Zoro — Gumel/Maigatari/S/Tankar/Gagarawa Federal Constituency*).
