3. **Message**
Mr Speaker read a message from the President of the Federal Republic of Nigeria as follows:

**PRESIDENT,
FEDERAL REPUBLIC OF NIGERIA**

5th November, 2018

*Rt Hon. Yakubu Dogara
Speaker of the House of Representatives,
National Assembly Complex,
Three Arms Zone,
Abuja.*

Dear Rt Hon. Y. Dogara,

**PRESIDENTIAL DECISION TO DECLINE ASSENT TO THE
INSTITUTE OF CHARTERED BIOCHEMIST AND MOLECULAR
BIOLOGIST OF NIGERIA BILL, 2018**

Pursuant to Section 58 (4) of Constitution of the Federal Republic of Nigeria, 1999 (as amended), I hereby convey to the House of Representatives, my decision, on 5th November, 2018 to decline Presidential Assent to the Institute of Chartered Biochemist and Molecular Biologists of Nigeria Bill, 2018 recently passed by the National Assembly, for the following reasons:

- (a) *the provision of section 13 (3) to give the Chartered Biochemist and Molecular Biologist of Nigeria power to approve academic programs and even close down programmes in tertiary institution would infringe on the mandate of the National Universities Commission and the National Board for Technical Education;*
- (b) *there are certain drafting and administrative issues in the Bill including the failure in Sections 13 (8), 14 and 20 (2) to designate a Chairman for both the Practice and Publicity Committee and or specific process for how a Chairman will emerge for either of the Education, Practice or Publicity Committees. This can lead to confusion in the administration of the Council.*

Please accept; Right Honourable Speaker, the assurances of my highest consideration.

Yours Sincerely,

(Signed)

Muhammadu Buhari

The House:

Notes that the entire Ogbaru Federal Constituency of Anambra State was submerged by flood as a result of River surge in the area;

Aware that several people in the community, including a mother of twins and the son of late Chief Stephen Osita Osadebe lost their lives;

Cognizant that it is absolutely not possible to relocate the ancestral homes of the indigenes without adequate provision in the IDP Camps;

Worried over the Federal Ministry of Environment's argument that it could no longer do any work on the river erosion sites in Ogbaru Federal Constituency consequent upon the Resolution of this House for lack of fund, despite the provisions by the Ecological Funds;

Concerned that there is a possibility of epidemics outbreak in the affected communities due to the resultant water pollution;

Resolves to:

- (i) observe a minute silence in honour of the deceased;
- (ii) urge the National Emergency Management Agency (NEMA), National Primary Health Care Development Agency (NPHCDA) and the Federal Ministry of Agriculture to send relief materials, including seedlings, Cassava Stem, drugs/vaccines and medical personnel to Ogbaru Federal Constituency to help alleviate their problems;
- (iii) also urge the management of the National Commission for Refugees, Migrants and Internally Displaced Persons and related bodies on IDP matters to strictly comply with the building code in the construction of IDP Camps;
- (iv) further urge the Federal Ministry of Environment to declare a national emergency on river erosion in Ogbaru Federal Constituency of Anambra State and accord them the required attention;
- (v) still urge the Federal Ministry of Women Affairs and Social Development to support the family of the deceased mother of the twin babies; and
- (vi) mandate the Committee on Legislative Compliance to ensure compliance and report back within eight (8) weeks (*Hon. Chukwuka W. Onyema — Ogbaru Federal Constituency*).
