MOTIONS

10. **Rescission of Clauses 5, 7 and 20 of the National Institute for Hospitality and Tourism (Establishment) Bill, 2018 Pursuant to Order Nine, Rule 1 (6) of the Standing Orders of the House of Representatives:**
Hon. Edward Gyang-Pwajok:

The House:

Notes that the National Institute for Hospitality and Tourism (Establishment) Bill, 2018 was passed by both Houses of the National Assembly;

Aware that fundamental issues that are germane, were observed on certain Clauses of the Bill;

Cognizant of the need to address such issues observed on Clauses 5, 7 and 20 of the Bill;

Resolves to:

Rescind its decision on Clauses 5, 7, and 20 and recommit same to the Committee of the Whole for reconsideration.

11. **Urgent Need to Rehabilitate the Lokoja - Okene - Auchu Road:**
Hon. Yusuf Ahmed Tijani:

The House:

Notes that the Lokoja-Okene-Auchi Road is the major link between the Northern and Southern parts of Nigeria, connecting seven (7) States in the country, and is also the gateway to the Ajaokuta Steel Company as well as the Itakpe Iron Ore Mining Company of Nigeria;

Aware that the Road has been left to deteriorate for a long time without any form of maintenance or rehabilitation;

Also aware that for over a decade, the road had always been listed among the capital projects in the National Budgets but has never received significant attention from successive governments;

Further aware of instances where Abuja and Lagos bound travellers spent about three days on the Road occasioned by traffic gridlock as all the alternative routes were congested and completely blocked;

Desirous of the need to ensure that the vital link Road is rehabilitated to ease the sufferings of commuters;

Resolves to:

- (i) Urge the Federal Ministry of Power, Works and Housing to include the rehabilitation of the Road in the 2019 budget proposal;
- (ii) Mandate the Committee on Works to ensure compliance.

12. Need to Investigate the Planned Privatization of the Afam Power Plc by the Bureau of Public Enterprises as a Dilapidated Asset:

Hon. Ayodele Oladimeji:

The House:

Notes that the Bureau of Public Enterprises (BPE) has resumed the Privatization, as dilapidated asset or a scrap on a fast-track transaction, of Afam Power Generation Company earlier suspended, as one of the means to finance the 2018 budget;

Also notes that the Sapele Power Plc and the Ughelli Power Plc were Privatized by the BPE in 2013 in the same manner as the planned privatization of Afam Power Plc and both are now in dire financial constraints along with other Generating Companies (GENCOS), resulting in the Central Bank of Nigeria (CBN) intervention with ₦701 billion Payment Assurance Guarantee due to expire in December, 2018;

Aware that the Generating Companies (GENCOS) are still faced with problems of lack of gas and weak infrastructure which cannot take all the generated energy and also serious liquidity crisis;

Concerned that the sale of Afam Power Plc as a dilapidated asset on a fast-track transaction will not yield the result envisaged by the Federal Government in privatizing the Public Enterprise as it would likely join the league of over 37 non-performing Privatized Public Enterprises;

Resolves to:

- (i) Urge the National Council on Privatization to immediately suspend the process of Privatizing Afam Power Plc on a fast-track transaction basis to allow for completion of the repairs of Phases 4 & 5 machines as well as the construction and rehabilitation of Afam Power Plant road being undertaken by the Federal Roads Maintenance Agency (FERMA) to enhance its value;
- (ii) Mandate the Committee on Privatization and Commercialization to invite the Director-General of the Bureau of Public Enterprises (BPE) to ascertain the status of the transaction with a view to investigating same and report back within four (4) weeks for further legislative action.
