MOTION

5. **Need to Address the Erosion and Flood Disasters Threatening Lives and Properties at Galaxy Area, Calvary Road and Aso Pada in Mararaba, Karu Local Government Area of Nasarawa State:**

Hon. Gaza Jonathan Gbefwi.

The House:

Notes that the communities in Galaxy Area, Calvary Road and Aso Pada in Mararaba, Karu Local Government Area of Nasarawa State have been suffering untold hardship from gully erosion and flood that is threatening hundreds of families living within the area;

Aware that as a result of the road construction which was carried out in Kabayi Community without provision of drainage facilities, water flooded the communities and destroyed houses and roads in the area which houses majority of the Federal Capital Territory work force;

Also aware that the erosion and flood were partly occasioned by unprofessional intervention of the people in a bid to divert flood from entering their communities;

Further aware of various attempts by the Communities to manage the erosion and control the flooding through self-help projects which have proved ineffective and coupled with the population growth and

the gully erosion rapidly expanding, there might not be enough land to cater for the expanding population in the nearest future;

Resolves to:

- (i) Urge the Ecological Fund Office to carry-out an environmental impact assessment of the affected areas and also embark on erosion and flood control projects to alleviate the sufferings of the inhabitants of those communities;
- (ii) Also urge the National Emergency Management Agency (NEMA) to provide relief materials to the victims displaced by the erosion and flood disasters;
- (iii) Mandate the Committee on Environment and Habitat to visit the erosion and flooding sites, and make recommendations to the House within eight (8) weeks on measures to be adopted to avert an impending disaster.
