MOTION

1. The sad demise of two illustrious Nigerians in the recent Ethiopian airlines crash of 10th march, 2019 and the need for Nigeria to protect its airspace from the Boeing 737 max 8 series pending the determination of its air worthiness.

Sponsor: Sen. Olugbenga Ashafa (*Lagos East*)

The Senate:

Notes with great sadness that two illustrious Nigerians were among the 157 people who lost their lives in the ill-fated Ethiopian Airlines flight ET - 302, which went down near Bishoftu a community roughly 60 kilometers southeast of the Ethiopian capital Addis Ababa;

Notes that the said late distinguished Nigerians aboard the flight were Ambassador Abiodun Bashua, a former United Nations and African Union, Deputy Joint Special Representative in Darfur, Sudan and Professor Pius Adesanmi, a Professor of Literary Arts in Carleton University, Ottawa Canada, and a popular advocate for good governance;

Observes that both Nigerians that lost their lives in this unfortunate air disaster, are individuals that have distinguished themselves in their fields and till their deaths remained worthy ambassadors of the country in the Diaspora;

Further observes that sometime in October, 2018 a brand new Lion Air Boeing 737 Max 8 flight went down over the Java Sea killing 189 people and that the Ethiopian Airlines flight that killed 157 people including 2 illustrious Nigerians was equally a Boeing 737 Max 8 Series;

Notes that the pilots have reportedly complained about the anti-stall system installed on the aircraft models Boeing 737 Max 8 and 9 series;

Further notes that the Hon Minister for Transportation (Aviation) Senator Hadi Sirika has assured Nigerians that no Nigerian airline operator currently operates the Boeing 737 Max 8 and 9 Series aircraft stating that: "As we continue to mourn the ET crash in Addis, and pray for the victims, we wish to reassure Nigerians that we do not have any Boeing 737 Max on Nigeria's register to worry about";

Notes even further that the Hon. Minister also stated that Nigeria has joined other countries including Ethiopia, USA, United Kingdom and China in banning the operation of the Boeing 737 Max 8 series within the Nigerian airspace stating that the Nigerian Civil Aviation Authority has already issued an advisory statement saying: "that nobody should fly out of Nigeria or into Nigeria using the 737 Max 8 and 9 pending the determination of the actual cause of the crash in Ethiopia and also pending the outcome of the response of the manufacturer themselves which is Messrs Boeing",

Accordingly resolves to:

- i. *Observe* one-minute silence in honour of the two distinguished Nigerians who passed away in the ill-fated Ethiopian Airlines flight ET - 302 on Sunday 10th March, 2019;
- ii. *Commend* the Federal Ministry of Aviation and the Nigeria Civil Aviation Authority for moving swiftly in mitigating the operations of the Boeing 737 Max 8 and 9 series aircraft within the Nigerian Airspace in order to ensure the safety of all Nigerians; and
- iii. *Urge* the Federal Ministry of Aviation and the Nigeria Civil Aviation Authority to ensure that all aircrafts operating within Nigeria are air worthy in order to keep Nigerians safe at all times.
