MOTIONS

3. **Re-Committal of the University of Wukari (Establishment) Bill, 2017, the National Biotechnology Development Agency (Establishment) Bill, 2018 and the Fisheries Institute of Nigeria (Establishment) Bill, 2018:**

Hon. Edward Gyang Pwajok:

The House:

Notes that the University of Wukari (Establishment) Bill, 2017 and the National Biotechnology Development Agency (Establishment) Bill, 2018 were separately passed by the National Assembly and transmitted to the President for assent but they were returned with some observations which need to be addressed;

Also notes that the Fisheries Institute of Nigeria (Establishment) Bill, 2018 was passed by both Houses and sent to the Directorate of Legal Services for further legislative action;

Aware that the Directorate of Legal Services made germane observations and recommendations on certain clauses of the Bill;

Resolves to:

Rescind its decisions on the affected Clauses of the Bills as passed and re-commit same to the Committee of the Whole for reconsideration and passage.

4. **Urgent Need to Rehabilitate Ebute-Ogolonto Road that Leads to Ikorodu Lighter Terminal and Address the indiscriminate parking of Trailers on the Road:**

Hon. Babajimi Benson:

The House:

Notes that the Ikorodu Lighter Terminal (IKLT) which was constructed by the Nigerian Ports Authority to decongest the Apapa and Tin Can Island Ports in Lagos State has, in the recent time, been witnessing movement of containers from the Apapa Port Complex by sea to the Ikorodu Lighter Terminal in barges;

Also notes that due to the continued growth in the terminal's containerized and bulk cargo haulage businesses, there has been an increasing number of trailers (flat bed & container laden, plying the Ogolonto to Ebute route in Ikorodu Federal Constituency;

Concerned that in the course of picking up their consignments, the trailers park indiscriminately on the Ogolonto-Ebute Road, thereby causing traffic congestion and damage to the Road;

Observes that this situation is worsening every day, bringing untold hardship to the people, in addition to the damages from the weight of those trailers on the said Ogolonto Road;

Resolves to:

- (i) Urge the Nigerian Ports Authority to take advantage of vacant land along the Lagos-Ikorodu road to create modern trailer parks and ensure that only trailers scheduled for loading have access to the lighter terminal vicinity;
- (ii) also urge the Federal Road Safety Corps (FRSC) to give strict warnings and subsequently penalize any trailer that parks indiscriminately on the Ogolonto-Ebute road;
- (iii) further urge the Federal Ministry of Power, Works and Housing to immediately commence palliative works on the road to ensure that travel time is reduced;
- (iv) mandate the Committees on Nigeria Customs and Excise, Ports, Harbors and Waterways, Works, and Legislative Compliance to ensure implementation.

**5. A Call for Change of the Name, “Apo Legislative Quarters” to Reflect Current Reality:
Hon. Segun Alexander Adekola.**

The House:

Notes that the Legislature is the distinctive mark of a Country is Sovereignty, the index of its status as a State and the source of much of the power exercised by the executive arm of government in the administration of the Country;

Also notes that the Legislature is the bedrock of any government, being an institution which represents the common and collective interests of the citizens through the enactment of laws and the exercise of oversight functions on the activities of the executive arm of government;

Aware that in June 2003, President Olusegun Obasanjo based on the recommendation of a Committee headed by the then Secretary to the Government of the Federation, Ufot Ekaette directed that the fringe benefits of all public and political office holders be monetized,;

Also aware that in 2004, the Federal Executive Council mandated the Federal Capital Territory Administration to sell all the Federal Government non-essential Housing Units in Abuja, including the Apo Legislative Quarters which were sold to Legislators occupying them at the time under specific rules and guidelines;

Observes the harrowing and challenging experiences new members of the Legislature are subjected to in their quest to get decent accommodation in the Federal Capital Territory as a result of the sale of the Quarters originally built to accommodate them;

Concerned about the continuous use of the name “Apo Legislative Quarters” in describing the place, when in actual fact, most of the houses in the quarters are no longer being occupied by Legislators, having since changed hands due to sales to a third or even to a fourth Party;

Appreciates the need to protect and uphold the sanctity of the Legislature by putting in place a corrective measure to address this ugly trend and distortion of fact;

Resolves to:

Urge the Federal Capital Territory Administration (FCTA) to change the name “Apo Legislative Quarters” to reflect current reality.
