Hon. Edward Pwajok:

The House:

Recalls that the Companies and Allied Matters Bill, 2019 was passed by both the Senate and the House of Representatives and forwarded to the President for Assent;

Aware that the President made some observations which are germane to the full implementation of the Bill, when assented to;

Resolves to:

Rescind its decisions on Clauses 2 and 40 of the Bill and commit same to the Committee of the Whole for reconsideration and passage.

16. **Urgent Need for Intervention in the Illegal Oil Exploration, Environmental Pollution, Epidemic Outbreak and Communal Clash as a result of Operation of Sterling Global Oil Company At Ogwu Ikpele in Ogbaru Federal Constituency of Anambra State:**
Hon. Chukwuka Onyema:

The House:

Notes that Ogwu Ikpele in Anambra State with huge deposit of Crude Oil shares boundary with Omoku, Okpai and Uchi in Rivers State;

Also notes that the people of Ogwu Ikpele and environs in particular, and Ogbaru in general are predominantly farmers and fishermen;

Aware that unknown to the people of Ogwu Ikpele, Sterling Global Oil Exploration and Energy Company is operating in their lands without Environmental Impact Assessment, Baseline Survey, Socio-Economic Impact Assessment and Corporate Social Responsibility;

Informed that the Oil Company has no site liaison office in Ogwu Ikpele or in any other place known to the people and its representatives schedule meetings with the people of Ogwu Ikpele only in Hotels;

Concerned that the activities of the oil company are causing environmental, air and water pollution in the area, thereby resulting in outbreak of respiratory tract infections, cholera, water borne diseases, coastal erosion and destruction of the ecosystem;

Also concerned that the Management of the Oil Company is instigating communal clashes capable of leading to loss of lives and destruction of properties in Ogwu Ikpele Community and its environs;

Resolves to:

- (i) Urge Sterling Global Oil Exploration and Energy Company to cease operations in Ogwu Ikpele pending the visit by the Committees;
- (ii) Mandate the Committees on Petroleum Resources (Downstream) and Environment and Habitat to visit the Community and the Exploration Sites of the Sterling Global Oil Exploration and Energy Company at Ogwu Ikpele in Ogbaru Federal Constituency, Anambra State with a view to ascertaining their legality and operational agreement in compliance with extant laws of the Federal Republic of Nigeria and report back within three weeks for further legislative action.

17. **Urgent Need to Provide Budgetary Appropriations in Lieu of Compensation Owed Delfino Anthonio-Da Meranda and Family Members for the Acquisition of their Land by the University Of Lagos, Akoka, Lagos State:**
Hon. Uzoma Nkem-Abonta:

The House:

Recalls that it adopted a Resolution on the Report of the Committee on Public Petitions concerning the lingering issue of non-payment of compensation by the University of Lagos to the families of Delfino Anthonio-Da Meranda and Ogunbode Eleye for the acquisition of their land;

Informed that the Committee on Legislative Compliance communicated to the Federal Ministry of Power, Works and Housing which is expected to implement provisions of the House Resolution on behalf of the Federal Government, vide a letter referenced NASS/HR/8/CT.63/5 and dated 17th April 2019;

Also informed that the Federal Ministry of Power, Works and Housing acknowledged receipt of the correspondence in this regard and thereby reverted its decision to comply with the directives of the House, particularly to pay the reviewed compensation to the families, vide a letter referenced E71/4/VOL.1/198 and dated 11th December, 2018;

Notes that the recommendations which provide, among others, the payment of the reviewed amount as compensation to the affected families has not been implemented, and the said compensation is not captured under the Ministry's sub-head in the Appropriations Bill, 2019 recently passed by the National Assembly;

Also notes that the failure of the University of Lagos to pay compensation to Delfino Anthonio-Da Meranda and Ogunbode Eleye Families has lingered since 1962, thus making current payment of the initial cost of the land, which was ₦18,637,118.83 (One Hundred and Eighteen Million, Six Hundred and Thirty-Seven Thousand, One Hundred and Eighteen Naira, Eighty Three Kobo) only, a disservice to the affected families given that the current market value of the land is put at ₦5,300,000,000 (Five Billion, Three Hundred Million Naira) only;

Believes that the continuous non-payment of compensation to the families raises questions on the integrity of the federal government and also violates the intent and purposes of the Public Lands Acquisition Act;

Desirous to put an end to this lingering issue, so as to avoid further denting of the federal government's image as well as ensure peace and harmonious co-existence between the two parties.

Resolves to:

- (i) Urge the Federal Ministry of Power, Works and Housing to make provision for the sum of N2, 000,000, 000 (Two Billion Naira) only (considering the current market value of the land) in a subsequent supplementary budget, being reasonable amount of funds for payment of compensation to the families of Delfino Anthonio-Da Meranda and Ogunbode Eleye;
- (ii) Also urge the Federal Ministry of Power, Works and Housing to make provision for the sum of N2, 000,000, 000 (Two Billion Naira) only (considering the current market value of the land) in its 2020 Budget proposal, being reasonable amount of funds for payment of compensation to the families of Delfino Anthonio-Da Meranda and Ogunbode Eleye;

**18. Urgent Need to Investigate the Fraudulent Activities in the Presidential Amnesty Programme:
Hon. Tajudeen Adekunle Obasa:**

The House:

Notes that the Presidential Amnesty Programme is a lofty initiative introduced by the Federal Government to quell armed struggles by Niger Delta Agitators for a better deal in the Nation's Oil producing areas;

Aware that the Programme's cardinal objective is to grant pardon to Agitators and to rehabilitate them through productive ventures in order to build capacity, capabilities and competence in the Youths of the Nigeria Delta;

Informed that since the proclamation of the Amnesty Programme, the Federal Government has spent a lot of resources in training many Youths of the Area both locally and internationally; and recently, the Federal Government paid the sum N8.5 Billion into the Presidential Amnesty Programme's TSA Account for the execution of this lofty idea;

Concerned by Media reports and outcry of massive looting at the Kaiama Amnesty Centre between 14 and 16 February, 2019, where Security Agents, the Coordinator of the Centre and unknown persons were alleged to have carted away equipment worth billions of Naira in the Starter Pack Warehouse allegedly to the Knowledge of the Special Adviser on Amnesty to the President;

Also concerned about media reports of massive corruption and outright embezzlement of funds meant for the execution of the Programme's objectives, hence it has become imperative to investigate these allegations for the good of the Niger Delta people and the Nation at large;

Further concerned that failure of the House to act timeously could lead the Amnesty Programme to suffer wreckage and the essence of the programme eroded;

Resolves to:

Set up an Ad Hoc Committee to investigate the allegations and report back within two weeks for further Legislative action.
