Senate

Observes that the Independent National Electoral Commission (INEC) is preparing to embark on the delineation of electoral Wards/Constituencies across the Country;

Notes also that this exercise is in consonance with Sections 71,72,73,74,75 of the 1999 Constitution and Section 108(3) of the Electoral Act 2006 which mandates INEC to review the division of every Area Council

into Wards at intervals of not less than 10 years and may alter such Electoral Wards to such extent as it may consider desirable in the light of the review;

Observes further that INEC has already issued a press release informing Nigerians that it has concluded arrangements to carry out this constitutional mandate;

Notes that this exercise is of utmost importance to both elected representatives and other Nigerians **in** general;

Concerned that INEC should make adequate preparations and ensure effective publicity in order to avoid the mistakes of the past.

Accordingly resolves to:

- (i) Direct its Committee on INEC to ascertain the level of preparedness of INEC to conduct the exercise and to report back within two weeks;
- (ii) Urge Senators and indeed all Nigerians to take interest in this all important exercise.
