#### *Recommendations:*

- (i) The EFCC is undertaking a comprehensive and thorough investigation of the monies and properties attributable to the former Police Boss.
  - (ii) That as at 16 March 2005, the EFCC is yet to complete its investigations and needed more time to ensure that its job would not be seen to smack of bias or prejudice on the part of the Commission.
  - (iii) That so far the Commission has not encountered any impediments or undue influence in the process of this investigation.
  - (iv) That owing to the gravity of the allegation levelled against the Former Inspector General of Police (1GP) and the sensitive nature of investigations generally, a release to the public of the facts obtained so far might jeopardize further investigation into this matter
7. Joint Committee on Science and Technology, Information and Justice:  
Hon. Festus Adegoke:
