2. Committee on Works:
Hon. Yahaya Yunusa:
"That this House do consider the Report of the House Committee on Works on 'A Bill for an Act to provide for the Establishment of the Infrastructure Concession Regulatory Commission; and for Matters Connected Therewith, 2004' and approve the Recommendations therein" (Laid: 9/3/2005).
3. Committee on Navy:
Hon. Anthony Aziegbemi:
That this House do consider the Report of the House Committee on Navy on the Investigation into the Disappearance of A Detained Ship—"MT[^] African Pride" and approve the Recommendations Uierein (Laid: 13/4/2005)

Recommendations:

- (i) That the President and Commander-in-Chief of the Armed Forces should sanction the Chief of Naval Staff, Vice-Admiral Afolayan for lying on oath and deliberately misleading the Committee. He emphatically told the Committee that the vessel "MT AFRICAN PRIDE" as well as its crew was handed over to the Police. But available evidence shows die contrary (See pp. 21 & 22);
- (ii) That the SSS should thoroughly investigate and unravel the identity of the "ORIGINATOR" of the second conflicting signal issued by Commodore Baje from NHQ to the FOCs East and West. The Committee admits that it lacks the technical wherewithal to do this. The Committee is of the firm belief that this was the source (beginning) of the mischief that finally led to the disappearance of the ship. The SSS should report to the House within 30 days from today (See p. 21);
- (iii) That the Naval Headquarters should appropriately sanction Capt. George Alily, the CO of the "NNS BEECROFT", Lt Comdr. Y. Maiyaki and Lt Comdr I. B. Yusuf the Base Operation Officer and the Base Intelligence Officer respectively, who by their roles, facilitated the disappearance of the Vessel, "MT. AFRICAN PRIDE". The NHQ should communicate their decision to the House within 30 days from today (See pp. 22-23);
- (iv) That the Naval Headquarters should also, within 30 days from the submission of this Report, either arraign, charge or acquit the following officers who are in protective custody: Capt Peter Duke, Lt Comdr M. M. Kabiru Lt Comdr M. C. Abubakar and Ordinary Seaman M. A. Emmanuel to the House (Seep.24)
- (v) That the Committee appreciates that the Inspector-General of Police that testified before it is no longer in Service. Howbeit, let it be on record that the Committee finds the Police I. G. culpable for its failure to effectively comply with the directive of the President and Commander-in-Chief of the Armed Forces (See pp. 24-26);
- (vi) That for credible transparency, an independent Assessor should be appointed to determine the quantity, quality and price of seized crude. Henceforth, the sale of seized crude should be on competitive bidding. It should not be left solely to the discretion or decision of the NNPC (See p. 26);
- (vii) That the SSS, NIA and the Police Interpol should collaborate to effect the arrest of Mr Niyi Fafowora, the owner of Fabrisco and Allied Products (Nig) Ltd. He chartered the missing Vessel, "MT AFRICAN PRIDE" but now at large. The Committee strongly believes that the arrest of Mr Niyi Fafowora will lead to the whereabouts of "MT AFRICAN PRIDE" (See pp. 26 & 27);
- (viii) hat within 24 hours of seizure of a ship the Navy should appropriately inform the following agencies: the Police, the Customs, NMA, and Immigration. This will enable the agencies to promptly perform their individual statutory duties. The uncoordinated activities of these agencies resulted, in part, to the disappearance of "MT AFRICAN PRIDE";

- (ix) That the Marine Police should be adequately equipped to take up its full marine responsibilities. In the mean time the Navy and Marine Police should jointly provide security onboard seized ships until such a time that the Navy could be relieved of this additional responsibility to concentrate on its constitutional duties;
- (x) That the Police and the Judiciary should, as a matter of urgency and appreciation of Human Rights Policy of this Administration, expedite action on the prosecution of the 12 Russians, 2 Rumanians and one Georgian national who are on trial;
- (xi) That to enable me Navy effectively discharge its statutory responsibility of policing our waters, the Budget of the Navy should be substantially and progressively increased in the next three years. The Ministry of Finance, Budget Office and the Appropriation Committee of the House should be appropriately notified of the House decision;
- (xii) That the Minister of Defence, Alhaji Rabiw Musa Kwakwanso, should be advised not to meddle in the affairs that are not contained, in-his brief;
- (xiii) That the banks should be more diligent in granting credit to companies dealing with the oil and gas industry. Credit obtained could easily be diverted into funding illegal bunkering.
