Federal Capital Territory Appropriation Bill, 2006 (*Executive*) — *First Reading*.

CONSIDERATION OF **REPORTS**

1. Committee on Banking and Currency:

Hon. Clever Ikisikpo:

"That this House do consider the Report of the Committee on Banking and Currency on a Bill for an Act to Domesticate the Statute of the West African Central Bank (Ratification and Enforcement) Bill, 2005 and approve the Recommendations therein" (*Laid: 19/1/2006*).

2. Committee on Privatization and Commercialization: Hon. N. C.

Ughanze:

That this House do consider the Report of the Committee on Privatization and Commercialization on the Delayed Implementation of the Privatization Share Purchase Loan Scheme (PSPLS) and approve the Recommendations therein" (*Laid: 24/1/2006*).

Recommendations:

That the PSPLS scheme being a very laudable scheme that has the importance of economic development of our country especially its poverty alleviation capability as well as assurance of a wide participation by poor and ordinary Nigerians in the privatisation programme, should not be allowed to die tremendous amount of work having been done on all sides-both BPE and the scheme Administrators;

- (ii) That all the stakeholders in the scheme should immediately come together with a view to reviewing the contract agreement in the scheme to make it more easily implementable and scale down the fees, which must be in naira denomination and not dollar;

- (jit) That subsequent distribution and collation of the PSPLS forms should be done through the federal constituencies in the country for better coordination and reach;
- (iv) That BPE should re-negotiate and pay the consortium the outstanding payments for services already rendered, to forestall any hitch when the scheme takes off again;
- (v) That BPE should also discuss with the owner of the intellectual property in the PSPLS Scheme, Image Kraft Ltd, with a view to agreeing on a payment for the intellectual property, as a way of encouraging good initiatives by gifted Nigerians;
- (vii) That National council on Privatisation (NCP) and BPE should expedite action on the IPOS of some already privatised or about to be privatised enterprises so as to kick off the dividends of the privatisation share purchase loan scheme;
- (viii) That the NCP and BPE should also consider the option of Mutual Trust Structure of pre-privatised companies if the IPOS cannot be immediately undertaken so as to start attending to those qualified Nigerians whose forms have been received. This will on its own spur others to start participating in the scheme as it will be seen as a reality;
- (ix) That the NCP/BPE should precede the scheme with aggressive information dissemination and marketing in all media outfits to create awareness and maximum participation of the targeted audience.
