Joint Committee Observations:

- (0 That the earlier claims by the Independence National Electoral Commission (INEC) for delay of certification by the Budget Monitoring and Price Intelligence Unit (BMPIU) were not correct;

- (ii) Of the N21.105 Billion applied to the Due Process by INEC, the Budget Monitoring and Price Intelligence Unit (BMPIU) certified N20.569 Billion within two days out of which the office of the Accountant General of **the** Federation has cash-backed N20.44 Billion;
- (iii) The Budget Monitoring and Price Intelligence Unit (BMPIU) still issued the certification to the tune of more than N20 Billion Naira in spite of the inability of INEC to give detailed information and supporting documents regarding their procurement;
- (iv) . INEC was economical in the disclosure of information regarding its procurement but contended that some of the information are classified;
- (v) That INEC has not been able to give a definite date for the registration and revalidation of voters' exercise;
- (vi) INEC has not disclosed how much of the sum cash backed has been accessed and utilized but promised to avail the Joint Committee in due course;
- (vii) The Joint Committee noted curiously some requests in the proposed Supplementary for Honoraria for Registration Official and Allowances for Security Agents to cover the Registration Exercise;
- (viii) The Committee observes that the interactive exercise has put all the stakeholders on their toes and they are showing more seriousness in their respective responsibilities;
- (ix) In the course of the interaction, suggestions were made that in order to provide prudence in the management of our resources, Government should consider the possibility of redeploying the vehicle used for the National Headcount for possible utilization by INEC.
