The House:

Notes the maiming, torture and killing of Ojide John Ekene by Chinese Security men as reported on page 13 of the Daily Sun Newspaper of 10th October, 2008;

A ware that Ojide John Ekene, a native of Umuleri in Anauibra State was until his death a businessman in China;

Disturbed that John Ekene in a bid to answer the call of nature in a place without a Public Convenience was abused, harassed, derided and hit with a heavy iron baton on his head by Chinese security men;

Regret that efforts to save his life in a Chinese Military Hospital by draining blood from his already battered skull was to no avail;

Further aware that Nigeria and China are both signatory to the Universal Declaration on Human **Rights** adopted by the United Nations General Assembly in 1948,

Worried by the incessant torture, ill-treatment, molestation and brutal killings of Nigerians by security men in their countries of abode;

Further worried that the impunity with **which** the lives of Nigerians are cut short in foreign countries, demonstrate no sanctity to the lives of Nigerians living in diaspora;

Resolves to:

- (i) urge the Federal Government (Executive) to **demand** an unreserved apology from the Chinese Government and pay adequate compensation to the family of the deceased;
- (ii) mandate **the Joint** Committee on Foreign Affairs and Diaspora to invite the Minister of Foreign Affairs and the Chinese Ambassador to Nigeria to explain the circumstances surrounding the brutal killing of Ojide John Ekene and report back to the House within two weeks.
