- The House:

Notes the recent fire outbreak from Ruptured Pipelines belonging to Warri Refinery and Petrochemical Company in Ubeji, Warri South Local Government Area of Delta State;

Aware that the Nation, at this stage of its development needs more refineries to meet the huge demand of petroleum products by Nigerians;

Further notes that many fire outbreak at the Refinery could not have occurred without immediate and remote cause(s);

Concerned that many people sustained injuries, while properties, monies were either destroyed or lost as a result of the fire outbreak;

Worried that unless immediate steps are taken to urgently forestall the incessant fire outbreak in our nation's refineries, we may in future experience more of such tragic inferno.

Resolves to:

- (i) mandate the Committee on Petroleum Resources (Downstream) (when constituted) to investigate the immediate and remote causes of the fire outbreak;

- (ii) urge National Emergency Management Agency (NEMA) to send relief materials to the victims without delay.
