MOTION

1. **High Cost of Diesel (AGO) in Nigeria: Need for Federal Government Subsidy:**

Hon. Clever Ikisikpo
Hon. Anas Adamu
Hon. Olakunle Salako

The House:

Hon. Aro S. Bamidele
Hon. Samson Osagie
Hon. Igwe Paulinus
Hon. Ayo Adeseun

Hon. Doris Uboh
Hon. A. Falade
Hon. Bello Suleiman
Hon. Belief Nelson:

Notes that for the past few months the Nation has witnessed an astronomical rise in the prices of petroleum products especially diesel (AGO) and DPK (Kerosene);

Further notes that the prices of Petroleum Motor Spirit (PMS) and kerosene already enjoying subsidy are rather expensive and scarce with diesel (AGO) now being sold at N200 per litre;

Worried that the price of these products have been on the increase in recent time and could unfold hardship on the citizenry, if nothing is done by the Government to bring down the prices;

Further worried that if the prices are not subsidised like Petroleum Motor Spirit (PMS), they may soon go out of reach of the average Nigerian and may result in the dislocation of both economic and social activities especially against the backdrop of the fact that the country is experiencing unreliable power supply;

Resolves to:

- (i) Urge the Federal Government of Nigeria to subsidize the price of diesel (AGO) through the Petroleum Support Fund (PSF);

- (ii) Urge the Petroleum Products Pricing Regulatory Agency (PPPRA) to work out an acceptable price regime for these products.
