Notes that the House Committee on Sports and Social Development in the course of carrying out its oversight functions, examined the budget performance reports presented by the NFA

Further notes that information on Income and Expenditure provided for the year under review necessitated examining the account books of NFA to be able to assess it;

Regrets that despite budgetary provisions and other sources of Income made available to the NFA, the country's flag will not be flown in the forthcoming World Cup competition in Germany;

Worried that some of the Management staff and Board Members who supervised expenditure in question are no longer in the employment of NFA;

Aware that Section 88 of the Constitution of the Federal Republic of Nigeria, 1999 grants the House the power to conduct investigations into such matters;

Resolves to:

- (i) *mandate* the House Committee on Sports and Social Development to Investigate the Accounts of NFA;
- (ii) *further mandate* the Committee on Sports and Social Development to look into the circumstances that led to the failure of our National Team to qualify for the 2006 World Cup in Germany.
