The House:

Notes the operation of the Joint Military Task-Force established primarily by the Federal Government is to maintain peace and security in the Niger-Delta Region;

Further notes that the Military activities of the Joint Military Task-Force have led to the impounding of vessels and barges used by criminals for illegal oil bunkering in the region;

Worried that the impounded vessels and barges have constituted a major blockage to the free entry into major sea-ports in the region;

Further worried that the vessels and barges contain fuel and other petroleum products which are highly inflammable and with a spark of fire could lead to explosion causing a fire outbreak in the port;

Disturbed that the blockage caused by these vessels and barges are presently constituting pollution and poor sanitary conditions in the ports;

Aware that the operations of the Joint Military Task-Force in curbing the activities of criminals involved in illegal oil bunkering do engage in occasional sporadic exchange of gunshot with the criminals which could lead to explosion of the impounded vessels and barges;

Resolves to:

- (i) call on the Economic and Financial Crimes Commission (EFCC), the Nigerian National Petroleum Corporation (NNPC) and the Department of Petroleum (DPR) to put necessary measure in place to evacuate the products in the impounded vessels and barges;
- (ii) mandate the Committee on Petroleum Resources (Downstream) to recommend to the House ways on how best these vessels and barges could be disposed of.
