Concerned that the swine flu does not have any vaccine and it is spreading like wild fire in the European and American continents with reported cases in South Korea, Israel and Australia;

Worried that if not checked, it can spread to our country and mistaken for high fever or malaria;

Resolve to:

- (i) Request the relevant agencies of Government to do a proper check (especially on people coming from the affected countries) at all the boarder posts into Nigeria;
 - (ii) Urge the Ministry of Aviation and the Nigeria Civil Aviation Authority (NCAA) to ensure that screening machines are made available in all major entry points;
