Notes the forceful ejection of thousands of Fulanis from Bashar Chiefdom of Wase Local Government Area of Plateau State, by the Plateau State Government to other parts of the Country which action started on Monday 27th April, 2009;

Concerned that this action contravenes Section 41 (1) and 42 (1) of the 1999 Constitution of the Federal Republic of Nigeria which guarantees right to freedom of movement and right to freedom from discrimination;

Worried that if the action of the State Government is left unchecked, it is capable of breaking the fragile peace of the State with a possible consequence of spreading to other parts of the country.

Resolves:

- (i) mandate the Committee on Special Duties to investigate the matter and report back to the House within two (2) weeks;

- (ii) call on the Plateau State Government to stop further expulsion of Fulanis, and bring back those already expelled to their respective villages, pending the outcome of an investigation of the allegation
