The House:

Notes the importance and significance of Education to the well being of our youths and the development of any Nation;

Further notes that the Academic Staff Union of Universities (ASUU) has embarked on a Nation Wide Strike over the refusal of the Federal Government of Nigeria to fulfil the agreement entered into in October, 2008;

Worried that the strike will affect millions of youths mostly from middle and lower classes of Nigerians;

~~*Concerned* that such strike will add to the thousands of youths already roaming our streets with a lot of energy but nothing to do;~~

Resolves to:

- (i) Mandate the House Committee on Education to intervene with a view to resolving the matter and report to the House within two weeks;
- (ii) Urge the Academic Staff Union of Universities (ASUU) to suspend the strike pending the outcome of the House Committee on Education's intervention.

Hon. Emmanuel Jime

Hon. Umar Farouk

Hon. Jumoke Okoya-Thomas

The House:

Notes that an unusual large sum of money allegedly classified as idle funds is being held by the Education Trust Fund;

Aware that these funds amounting to Twenty-Two Billion, Six Hundred Million Naira — ₦22.6B is designed as quick intervention funds for further infra structural development of Educational Institutions;

Worried that in spite of such idle funds being available to boost Infrastructure in Education, the Academic Staff Union of Universities continues to cry for Paucity of funds, for increases in the funding of the Educational Sector,

Disturbed by the enormity of the infrastructural decay in the Educational Sector, coupled with the accompanying fall in the standards of teaching, research and morale among Students and Academic Staff of Tertiary Institutions,

Regrets that these idle funds of ₦22.6B is quite a sizeable amount that, if utilized urgently for the purposes it is meant for, would mark the beginning of a renewed commitment and drive to boost the state of Education in the Country.

Resolves to:

- (i) Condemn the Education Trust Fund for its decay in calling on beneficiary institutions to access the funds in its custody for such a long period of about eight years;
- (ii) Urge the Education Trust Fund to give the affected tertiary institutions, State Ministries of Education and the Universal Basic Education Boards an extension of at least six weeks within which to prepare and submit proposals to access the funds;
- (iii) Mandate House Committee on Education to immediately investigate the circumstances that led to the accumulation of such amount of money over a period of eight years without releasing them to the institutions and agencies for which they were intended, and determine the interest the funds have accumulated over the years and report to the House within six weeks.
