Notes that for some time now, the PPMC Depots in Makurdi, Enugu and Aba respectively have become non-functional in the supply and loading of petroleum products;

Aware that these depots were meant to supply petroleum products to States in the South East and Middle Belt regions;

Concerned that the non-functioning of these Depots has resulted in consistent artificial scarcity and selling of petroleum products at a higher pump prices in this region;

Worried that the higher cost of these petroleum products has invariably resulted in higher cost of goods and services causing untold hardship to the people of these zones;

Disturbed that unless these Depots are resuscitated Petroleum Dealers in the area will continue to use it as a ploy to hoard and sell petroleum products at higher prices than the Government approved prices;

Resolves to:

- (i) Urge the Federal Government through the relevant Parastatals particularly the Nigerians National Company Petroleum Corporation (NNPC) and the Petroleum products Marketing Company (PPMC) to urgently resuscitate the Enugu, Aba and Makurdi Depots;
- (ii) Further urge the security agents especially the Inspector-General of Police and Commandant-General of the Civil Defence Corps to intensify surveillance on pipeline from Port Harcourt refineries to Aba, Enugu and Makurdi depots to avoid further vandalization;
- (iii) Also urge the Federal Government through the relevant parastatals to ensure adequate supply of Petroleum products to the affected States at a subsidized cost to avoid further untold hardship on the peoples.

Notes that Nigeria's Foreign Policy promotes African integration and advocates the tenets of good governance, Constitutionalism and the Rule of Law within the Polity and the African Continent;

Disturbed that the Constitutional crisis in the Republic of Niger is an immediate challenge to Nigeria as a Neighbouring Country;

Worried that President Tandja Mamadou's dissolution of Democratic Institutions and suspension of the Constitution to enable him rule by decree is undemocratic and despotic;

Concerned that if the crisis is allowed to degenerate into anarchy, the attendant consequences for neighbouring countries like Nigeria will be enormous;

Acknowledges that the United States of America has unequivocally denounced President Tandja Mamadou's bid to undermine Democracy in the Republic of Niger.

Resolves to:

- (i) Condemn the undemocratic and unconstitutional actions of President Tandja Mamadou of the Republic of Niger;

- (ii) Urge the Federal Government of Nigeria to impress on the African Union (AU) and the Economic Community of West African States (ECOWAS) to prevail on President Tandja Mamadou to restore Constitutional Order.
