ORDERS OF THE DAY

MOTION

1. **The Recent 900 % Upward Review of Land charges in the Federal Capital Territory (FCT): A Call for Immediate Reversal:**

Hon. Chukwudi Mayor Eze:

The House:

Notes that the Hon. Minister of the Federal Capital Territory (FCT) recently reviewed upward charges on land from ₦2000 per/m² to ₦1,8000 per/m² (which represents 900%) increment in service area and ₦10,000 per/m² (an increase of 500%), in un-serviced area;

Further notes that the increase, according to the FCT Minister was meant to reduce land racketeering, make land and houses available to Nigerians and to generate more funds to finance the provision of infrastructure in the new districts;

Concerned that the FCT Administration took the decision on the new charges without the approval by the National Assembly as its law making body;

Further concerned that any decision taken by the Minister of FCT or any other officers of the Executive that imposes financial burden on the citizenry requires the prior scrutiny and approval of the National Assembly;

Resolves to:

- (i) Urge the Minister of Federal Capital Territory (FCT) to revert to the old charges;
- (ii) Mandate the Joint Committee on FCT and FCT Area Councils and Ancillary Matters to conduct a public hearing on the recent upward review of land charges in the Federal Capital Territory.
