ORDERS OF THE DAY

MOTIONS

1. **Approval of \$500 Million Loan in Accordance with Debt Management Office Act, 2003:**
Hon. Tunde Akogun:
The House;

Notes that Mr President in his letter dated 27 July, 2009 requested the House to endorse the Emergency Supplementary Expenditure to effectively respond to current challenges;

Recall that 2009 Appropriation Act inadvertently omitted or insufficiently provided for certain items;

Aware that the Supplementary budget would be funded from a Special concessional facilities from the World Bank;

Appreciates that the concessionary terms for the World Bank facility include zero interest rate, 0.75% for service charge, 0.5% commitment charge on undisbursed balance, 10 years grace period and 40 year repayment period, among others;

Further aware that the World Bank Loan, if approved would address core infrastructural development in Power, Works, Transport and Aviation Sectors;

Resolves to:

- (i) approve the request of Mr President in the equivalent amount of \$500 million as Loan from the World Bank;
- (ii) further approve from the World Bank Account the distribution of the Federal Government's share of the Excess Crude disbursed earlier this year amounting to ₦98,873 Billion Naira or such other as at today.

**2. Recission: Order 9 (6) Re: Public Procurement (Amendment) Act:
Order 1, Rule 2, Standing Orders of the House of Representatives:
Hon. Ita Enang:**

Whereas the House, upon Conference with the Senate did pass the harmonized version of the Public Procurement Act, (Amendment) Bill, 2009;

Whereas upon passage, a cursory reading revealed lacuna, and possible conflict between the Principal Act sought to be amended and the harmonized amendment Bill itself, particularly Section 35 (1) of the Amendment Bill;

Whereas it is expedient that this Bill be re-called and recommitted for re-consideration of the said Bill to eliminate the apparent conflict to save time of possible amendment after Mr. President's assent, or avoid possible withholding of assent by Mr. President;

It is therefore moved, and be it resolved as follows:

- (i) that the House do recall and re-commit the Bill, Public Procurement (Amendment) Bill, 2009 (HB.87) for re-consideration;
- (ii) that the House do agree to amend the clause of the said Bill in the manner set out hereafter, to wit.

In addition to any other regulation as may be prescribed by the Bureau, a Mobilization fee of an amount which in the opinion of the procuring entity is reasonably sufficient for expeditious execution of the works or services may be paid to a supplier or contractor supported by requisite performance bond from a reliable bank.
