In view of the presence and movements of Queller Birds and Locusts in some parts of this country and their destructive attacks on Millet, Sorghum, Beans and other food and cash crops particularly in the North-East and North-West parts of the country, this Honourable House do:
(i) urge the Federal Ministry of Agriculture and Rural Development to liaise with States Ministries of Agriculture as a matter of urgency and take immediate action with a view to combat them.

Hon. Zakarie A. Maherbe Hon. J. H. O. Agoda
In view of the fact that the immediate past Government of General Abdulsalam Abubakar has pegged the upper age limit of participants in the NYSC Scheme to 25 years instead of 30 years.

In view of the immense benefits derived from the NYSC Scheme in fostering unity, national integration and understanding; and in view of the fact that this decision is bound to deprive a large proportion of our youngmen and women in our higher institutions of learning, from benefiting from this Scheme; be it resolved and it is hereby resolved:

- (i) that the Government of President Obasanjo rescind the decision to peg the upper age limit for participation in the NYSC Scheme to 25 years, since the current National Policy on Youths regards persons between 12 and 30 years as Youths;
- (ii) that the upper age limit of 30 years be restored to enable a greater majority of our graduating students in higher institutions benefit from this laudable programme;
- (iii) that the Federal, State and Local Governments should ensure that special budgetary provisions are made to absorb and cater for a number of corpsers each year; and
- (iv) that the Private Establishments be urged by the Federal Government to always make provisions for placing Youth Corpsers in their establishments'.
