**PRESIDENT
FEDERAL REPUBLIC OF NIGERIA**

PRES/134

February 14, 2005

*The Honourable Speaker,
House of Representatives,
National Assembly Complex,
Abuja, "*

Dear Hon. Speaker,

RE: NATIONAL LOTTERY BILL, 2005

The National Lottery Bill, 2005 recently passed by the National Assembly was forwarded to me by the Clerk to the National Assembly for my assent on 4th February, 2005.

Having carefully studied the provisions of the passed Bill, I observed that certain amendments were made to some Sections of the Bill originally forwarded to the National Assembly. While I am amenable to the amendments made to Sections 2-(2); 5; 7 (e); 20-(1); 24-(1) and 36-(2) (f) of the Bill, I consider the amendments made to Sections 2-(3); 12 (g); 19-(1); 33-(1); 36-(3) and 43-(1) clearly unnecessary as they are capable of hindering the effective implementation of the provisions of the Act when eventually signed into law due to the apparent bottlenecks they are bound to create, while at the same time militate against quick and efficient management of government business by the Executive. With all due respect, other than those Commissions listed in the Constitution, which require confirmation by the Senate, I believe imposing such condition can only cause delay and confusion even within the National Assembly.

The amendments considered undesirable in the passed Bill are as follows:

1. Section 2-(3):

Under Section 2-(3) of the Original Bill, the President was empowered to appoint the Chairman and Members of the Governing Board of the National Lottery Regulatory Commission. This provision was amended to subject these appointments to confirmation by the Senate.

2. Section 12 (g):

Under Section 12 (g) of the original Bill, the National Lottery Regulatory Commission was empowered to, among other things, apply from time to time, the proceeds of the fund established under Section 11 thereof, for maintaining general financial reserves subject to general or specific directives that may be given in that behalf by the President. This provision was amended to subject such general or specific directives that may be given by the President to confirmation by the National Assembly as a whole.

3. Section 19-(1):

Under Section 19-(1) of the original Bill, the President was empowered to empowered to grant licence to any person or body corporate to operate a national lottery or any lottery, by whatever name called, if satisfied that the applicant meets the conditions stipulated in Section 19-(1) (a)-(e) thereof. This provision was amended to make the grant of licence by the President solely conditional upon the recommendation of the National Lottery Regulatory Commission without any discretion whatsoever in the exercise of that power by the President.

4. Section 33-(l):

Under Section 33-(l) of the original Bill, the President was empowered to enter into an agreement with the Government of any other country or State with respect to, among other things, the operation of a licence granted under the Act in that other country or State. This provision was amended to require prior consultation with and approval of the National Assembly as a whole, before any such agreement is entered into by the President with the Government of any other country or State.

5. Section 36-(3):

Under Section 36-(3) of the original BUI, the President was empowered to appoint than Chairman and Members of the Board of Trustees of the National Lottery Trust Fund. This provision was amended to subject these appointments to confirmation by the Senate.

6. Section 43-(l):

Under Section 43-(l) of the original Bill, the President was empowered to appoint the Secretary/Chief Executive Officer of the National Lottery Trust Fund. This provision was also amended to subject the appointment of the Secretary to confirmation by the Senate.

In view of the above, I consider it necessary to return herewith, the Bill with strong appeal to the House of Representatives to reconsider its position on the highlighted amendments and reinstate the original provisions in the affected sections of the Bill for the reasons earlier advanced. It is my ardent hope that in the spirit of the usual cooperation between the Executive and the Legislature, the House of Representatives would speedily and positively consider the request to enable me assent to the Bill without further delay.

Accept, the Honourable Speaker, the assurances of my highest esteem and best wishes for the entire House, Please.

Yours sincerely,

(Signed)
OLUSEGUN OBASANJO
