Motion made and Question proposed,
The House:

Notes the necessity and importance of the Airfield Lighting system at Airports especially in the hour of darkness or during poor visibility and the danger it poses to landing aircrafts;

Aware that the management of Airport facilities and safety is the responsibility of the Federal Airports Authority of Nigeria (FAAN);

Observes with dismay the frequent failure of airfield lighting in the runway at Margaret Ekpo International Airport, Calabar, without any effort by the Federal Airports Authority of Nigeria (FAAN) to remedy the situation;

Disturbed that this situation can lead to delay in landing or not landing at all at the risk of the passengers and crew members on board;

Concerned that in the event of delays and the possibility of the aircraft running out of fuel, this could lead to air mishap;

Resolves to:

- (i) urge the Federal Airports Authority of Nigeria (FAAN) and other related agencies to take urgent steps to restore the lighting system and put a permanent stop to the re-occurrence of airfield lighting failure at the runway of the Margaret Ekpo International Airport;
- (ii) mandate the House Committee on Aviation to visit the Airport to ascertain the cause(s) of the frequent power failure and report to the House within two weeks (*Hon. Ekperikpe Ekpo and 41 Others*).
