Motion made and Question proposed, The House:

Notes that Nigerdock Nigeria Pic was established by the Federal Government as **a** foremost indigenous Ship repair and servicing company;

Aware that following the Federal government policy on privatization and commercialization of parastatals, agencies and companies, Nigerdock was affected by the policy/exercise;

Further notes that owing to this policy, Nigerdock Pic has since been privatized by the Bureau of Public Enterprises in an exercise that is being speculated to have left more questions to be answered and clarified,

Worried that Nigerdock was privatized in circumstances tha*t was seen to lack transparency and therefore fell **short** of due process;

Resolves to:

Mandate the House Committee on Privatization and Commercialization to conduct a public hearing to unravel the parameters adopted by Bureau of Public Enterprise (BPE) in the privatization of Nigerdock Pic and establish whether section 33 of the BPE Act was either violated or adhered to {Hon. *Halims Agoda and*24 *Others*}.

Notes that Illushi Community in Esan South East Local Government of Edo State is a coastal town that situates along the bank of the River Niger;

Further notes the ravaging erosion that the River Niger has unleashed on the terrain threatening to wipe out the entire Illushi Community; *

Concerned that ten years ago, coastal erosion from River Niger started to threaten the Illushi Community and its environs;

Disturbed that this year alone, over 80 residential houses, the Esan South East Local Government Council Maternity Home, various churches and mosques buildings in the Community have been swept away by the coastal erosion from the River Niger;

Worried that the Irrua/Illushi Road, the only Federal Highway leading into the Community and the old Ulushi/Ega/Oria Road are completely cut-off in parts and washed away while farmlands, crops and fish ponds belonging to members of the Community have not been spared by the devastating coastal erosion;

Further worried that Illushi Main Market which is patronized by people from neighbouring states and a hub-nub around which the socio-economic life of the Community revolves is under serious siege by the ravaging erosion;

Regrets the starvation and untold hardship that this menace has caused the people of Illushi Community and its environs;
