 - (i) ***The Unilateral, Arbitrary and Unauthorized Creation of Positions of Acting Executive Directors in Federal Roads Maintenance Agency (FERMA) in Outright Violation of Provisions of the Federal Roads Maintenance Agency (Established), Act, 2002:***
Hon. Adamu Kamale Dali Usman (*Madagali/Michika Federal Constituency and 4 Others*) introduced the matter and prayed the House to:
 - (a) consider and approve the matter as one of urgent public importance; and
 - (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance -- Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith -- Agreed to.

The Unilateral, Arbitrary and Unauthorized Creation of Positions of Acting Executive Directors in FERMA in Outright Violation of Provisions of the Federal Roads Maintenance Agency (Establishment) Act, 2002:

The House:

Notes that at the dissolution of the governing Board of FERMA by Mr President, the outgoing Managing Director then handed over to a non-career Executive Director who assumed the position of self-appointed acting Managing Director and who immediately, unilaterally and without authorization, created and upgraded the Deputy Directors of different departments in FERMA to the positions of acting Executive Directors;

Also notes that Section 2 (1) of the FERMA Establishment Act 2002 provides for a government board whose composition is well defined by Section 2 (2) of the Act;

Aware that by the provision of Section 2 (2) of the FERMA Act 2002, the positions or posts of acting Executive Directors were not created, and therefore do not exist and are not known to the Act;

Concern that the unilateral and arbitrary creation of the positions of acting Executive Directors in FERMA by the acting Managing Director amounts to executive recklessness, lawlessness and a violation of Section 2 (2) of the FERMA (Establishment) Act, 2002;

Also aware that between September 2015 - 2016 billions of Naira have been released to FERMA without commensurate work to show for the amount received so far and that these acting Executive Directors and acting Managing Director illegally appointed, are partly those who have sat over the expenditure of funds;

Convinced that there is an urgent need to correct the illegality being perpetrated in FERMA by the acting Managing Director and also to investigate the usage of funds because almost all roads in Nigeria are dilapidated;

Resolve to:

- (i) Mandate the Committee on FERMA to conduct an investigation into the unilateral, arbitrary and unauthorized creation of the positions of Executive Directors in FERMA, in violation of Section 2 (2) of the FERMA (Establishment) Act 2002; and
- (ii) investigate the operational activities of FERMA (from 2015 till date) especially the usage of billions of Naira released to FERMA between September 2015 till date, with a view to seeing that Nigerian Roads are fixed and report back to the House within two (2) weeks (*Hon. Kamale Adamu Dali U. -- Madagali/Michika Federal Constituency and 4 others*).

Agreed to.

(HR. 131/2016).

Motion referred to the Committee on Federal Roads Maintenance Agency (FERMA).

(ii) ***Call for Urgent Intervention in the Wake of the Inferno that Guttled the Library and Faculty of Social Sciences, University of Jos:***

Hon. Gyang Istifanus Dung (*Barikinladi/Riyom Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Call for Urgent Intervention in the Wake of the Inferno that Guttled the Library and Faculty of Social Sciences University of Jos:

The House:

Notes that the Library and the Faculty of Social Sciences of the University of Jos was on Saturday, 8 October, 2016 gutted by fire which led to the burning down of valuable documents, books, academic records and building at the permanent site of the University of Jos;

Also notes that the value of damage to intellectual property, academic records and physical infrastructure was colossal and a huge set back to the institution. While the building can be renovated, loss to intellectual property and assets is irredeemable;

Disturbed that the ugly incident took place the very day that semester exams were to commence thus necessitating an indefinite shift. This has therefore distorted the academic calendar for the year;

Concerned that except the institution receives assistance by way of an urgent intervention of government, the university does not have the capacity to remedy the loss and undertake the necessary renovation to guarantee speedy resumption of academic activities;

Also concerned that the incident exposed and brought to the fore the ineffectiveness and weakness of our fire fighting capacity both in terms of equipment and manpower, especially the lack of capacity to engage inferno in High Rise Buildings;

Aware of the need for our construction and Building Engineers to always make provision for installation of water Hydrants at strategic intervals and within High Rise buildings for ease of accessing water in times of emergency by fire fighting first responders;

Resolves to:

Mandate the Committee on Tertiary Institution to visit, ascertain the extend of the damage occasioned by the unfortunate inferno at the University of Jos that gutted the Library and faculty of Social Sciences and ensure quick intervention of the Federal Ministry of Education/Tertiary Education Trust Fund (TETFund) and report back to the House within two weeks (*Hon. Istifanus D. Gyang — Barikikinladi/Riyom Federal Constituency*).

Debate.

Agreed to.

(HR. 132/2016).

Motion referred to the Committee on Tertiary Education and Services.

Motion made and Question proposed, "That the House do suspend Order Eight, Rule 4 (4), to enable it take more than two Matters of Urgent Public Importance" (*Hon. Orker-Jev Emmanuel Yisa -- Buruku Federal Constituency*).

Agreed to.

(iii) *Call on the Federal Government of Nigeria to make Urgent and Special Releases from the Ecological Fund to Osun and Other States Affected/Threatened by Flood Disasters:*
Hon. Alabi Mojeed Olujinmi (*Ede North/Ede South/Egbedore/Ejigbo Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance -- Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith -- Agreed to.

Urgent Call on the Federal Government of Nigeria to Make Urgent and Special Releases from the Ecological Fund to Osun and Other States Affected/Threatened by Flood Disasters:

The House:

Notes the alarming devastations attributable to the perennial incidence of flooding in Nigeria and its suffocating impact on the nation's farmlands, human habitation and sources of livelihood, with the attendant deleterious impact on accruable revenue for developmental purposes;

Aware that incidents of flooding in the recent years have been catastrophic for the country. The Year 2012 had been the worst in the nation's history of flooding, with 30 States seriously affected, 363 people killed, 5,851 injured and over 2,100,000 internally displaced. Flooding accounted for 19 deaths, 8,000 displacements and 2,217 farmlands destructions in 2013, while 53 deaths and 100,420 displacements were recorded across 17 States in 2015;

Also aware that the early warning notices released by Nigeria Meteorological Agency (NIMET) as well as the 2016 Annual Flood Outlook of the Nigeria Hydrological Services Agency (NIHSA) suggested that about 11 States of the Federation were prone to flooding, with varying degrees of wreckage already witnessed in such States as Benue, Borno, Niger, Nasarawa, Plateau, Sokoto, Yobe, Zamfara, Anambra, Taraba and my own State of Osun;

Further aware that since 2011, the State Government of Osun, in particular, had put in place a number of precautionary measures towards averting flooding, such as dredging and expansion of all waterways and river courses, declaration of a 90-day emergency on environmental sanitation, massive tree planting campaigns, procurement of refuse collection vans, among other initiatives, in the face of non-release of ecological fund to the State since November 2010 when the Rauf Aregbesola Administration got to power;

Informed that some other flood-prone States had also initiated precautionary measures towards preventing flooding;

Concerned that the economic challenges facing the nation have seriously affected the capacity of flood-prone States to solely bear the cost of funding flood control and management measures without intervention by the Federal Government and other donor agencies, with the attendant threats to the lives and properties of the citizens;

Also concerned that the sources of livelihood of the victims of the recent flooding in Osun and other affected States have been terribly paralysed, necessitating immediate intervention by way of emergency financial and relief materials to cushion the effects of the recent flooding and thereby assist the government concerned to alleviate the suffering of the victims as well as put in place enduring infrastructure that could contain the anticipated massive flooding as recent early warning systems suggested;

Resolves to:

- (i) Call on the Federal Government of Nigeria to make urgent and special releases from the ecological fund to Osun and other States affected and/or threatened by flood disasters to assist them in constructing concrete and durable canals across the flood-prone communities in order to permanently arrest the perennial flooding in these communities;
- (ii) mandate the Committees on Environment, and Emergency and Disaster Management to liaise with the Ministry of Environment and other relevant MDAs on the need to ensure prompt execution of flood control projects contained in the 2016 Approved Budget and Zonal intervention projects; and
- (iii) urge the National Emergency Management Agency (NEMA) to fast track the process of making essential relief materials available to the victims of the recent flooding in Osun and other affected States of the Federation in order to bring succour to their sufferings (*Hon. Mojeed Alabi — Ede North/Ede South/Egbedore/Ejigbo Federal Constituency*).

Debate.

Agreed to.

(HR. 133/2016).

Motion referred to the Committees on Environment and Habitat, Emergency and Disaster Preparedness, and Climate Change.

- (iv) ***Urgent Need for Declaration of Emergency Over the Security Situation in the Southern Kaduna Senatorial District of Kaduna State:***
Hon. Simon Yakubu Arabo (*Kauru Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need for Declaration of Emergency Over the Security Situation in the Southern Kaduna Senatorial District of Kaduna State;

The House:

Notes that since 2011, various communities in Southern Kaduna Senatorial District of Kaduna State, have been consistently attacked by terrorists resulting in deaths, injuries, loss of properties and displacements of the communities;

Also notes that Southern Kaduna Senatorial district is substantially agrarian with arable and fertile lands and good weather;

Further notes that subsequent attacks by the terrorists, Fulani herdsmen have occupied some of the displaced communities;

Equally notes that the Federal Government declared a security emergency in Zamfara State in the wake of similar terrorists attacks and set up a military strike force there;

Still notes that the attacks on the communities indicate a pattern of deliberate desire to annihilate such communities, decimate their population, occupy their lands and generally create an atmosphere of terror;

Aware that some time past, there was a resolution to set up a military battalion/base in Kafanchan in the Southern Kaduna Senatorial District, but the resolution is yet to be implemented;

Also aware that on 15 - 16 October, 2016 Godo-godo community in Jama'a Local Government Area and other communities in Kaura and Kauru Local government Areas, have been attacked by the terrorists, resulting in the death of scores of people, injuries, wanton destruction of communities and other acts of mayhem;

Further aware that there is a general atmosphere of insecurity in the Southern Kaduna Senatorial District of Kaduna State;

Equally aware that the recent attacks are coming on the heels of recent ones and with the presence of some security personnel on ground;

Still aware of efforts by the Kaduna State and the Federal Government to restore peace in the area, but apparently the efforts are not enough;

Resolves to:

- (i) Observe a minute silence for the repose of the souls of the deceased victims of the attacks;
- (ii) call on the Kaduna State and the Federal Government to declare a security emergency in Southern Kaduna Senatorial District of Kaduna State;
- (iii) also call on the Federal Government to set up a Military strike force in the Southern Kaduna Senatorial District of Kaduna State as an interim measure;
- (iv) further call on the Federal Government to actualise the resolve to set up a military battalion in Kafanchan or such other place in Southern Kaduna Senatorial District of Kaduna State;

- (v) urge the Security agencies to intensify efforts to apprehend and bring to justice all persons involved in these attacks; and
- (vi) also urge the National Emergency Management Agency to provide relief materials to the internally displaced persons on account of the attacks (*Hon. Shehu N. Garba — Jema'a/Sanga Federal Constituency and 5 others*).

Debate.

Agreed to.

(HR. 134/2016).

A minute silence was observed in honour of the deceased.

Order read; deferred by leave of the House.

12. **Need to Complete and Put into Operation the College of Health Sciences/Teaching Hospital, Otukpo Campus of the Federal University of Agriculture, Makurdi, Benue State**

Motion made and Question proposed:

The House:

Recalls that in response to the request of the Federal University of Agriculture, Makurdi which was supported by the National Universities Commission (NUC), the Federal Government, in 2014, established the College of Health Sciences, Otukpo, as a campus of the University, with a Teaching Hospital to service it;

Notes that the College puts students through medical training of exceptional quality and also trains other health care professionals who will provide healthcare services to meet the needs of Nigerians;

Aware that the Federal Government approved the sum of Five Billion Naira (₦5bn) as a Special Presidential Intervention Fund for the project, and also established a Presidential Implementation Committee (PIC) and the University Council, to oversee the project;

Also aware that the sum of ₦200,000,000 was spent to acquire 600 hectares of land, ₦102,178,145 for full perimeter, geological and soil testing surveys of the said land, while the sum of ₦174,000,000 was paid as fees for consultancy services for the structural and architectural design/drawings for the building of the College;

Concerned that about two years after establishing the College, further activities on the project have stalled due to non-release of funds by the Tertiary Education Trust Fund (TETFund), despite the admirable progress made so far on the project;

Also concerned that it does not make any economic or social sense to abandon a project for which the Federal Government budgeted the sum of ₦5bn for its completion, and the refusal of TETFund to release money has held up the completion/ utilization of this all important project to the people of Benue State, and Nigeria at large;

Resolves to:

Mandate the Committee on Tertiary Education and Services to investigate the issue and ensure that TETFund releases the sum approved and oversee its application for the project, and report back to the House within four (4) weeks, for further legislative action (*Hon. Hassan Saleh — Ado/Ogbadibo/Okpokwu Federal Constituency and 3 others*).

Agreed to:

(HR. 135/2016).

Motion referred to the Committee on Tertiary Education and Services, pursuant to Order Eight, Rule 9 (5).

13. Urgent Need to Rehabilitate the Obafemi Awolowo Stadium, Ibadan

Motion made and Question proposed:

The House:

Notes that the Obafemi Awolowo Stadium, Ibadan formerly known as Liberty Stadium, is a historic 25,000 capacity football stadium that was opened in 1960 during the tenure of late Chief Obafemi Awolowo as the Premier of Western Region, and it was the first stadium with world class facilities to be built in Africa;

Recalls that the Stadium hosted several matches during the 1980 African Cup of Nations and the 1999 FIFA World Youth Championship, by virtue of its International standard;

Worried that facilities such as the main football pitch, football training pitches, hostels, swimming pools, indoor sports hall for lawn tennis, table tennis, hockey, handball, volley ball and squash are in bad shape, which is taking a toll on sports development in Nigeria;

Cognizant that for several years, the running costs for the maintenance of the Stadium complex has not only been epileptic, but worrisome as was exemplified in 2015, when it was received for only two months out of the entire twelve calendar months of the year;

Also worried that the Stadium can boast of only one gardener, one gateman and part-time cleaners who are being paid personally by the officials, and the abandoned main football pitch is about to be regressed by a contractor who complained of lack of funding by the government;

Concerned that if nothing is urgently done to rehabilitate the Stadium, sports development in Nigeria would be greatly retarded, and a national edifice will go into decay;

Resolves to:

- (i) Call the attention of the Federal Ministry of Youth and Sports Development and the National Sports Commission to the deplorable state of the Obafemi Awolowo Stadium, Ibadan, and urge for its rehabilitation; and
- (ii) mandate the Committee on Sports to monitor the state of compliance with this resolution and report back to the House within eight (8) weeks for further legislative action (*Hon. Adedapo Lam-Adesina — Ibadan Northeast/Ibadan Northwest Federal Constituency*).

Debate.

Motion withdrawn by leave of the House.

14. Call for Dredging of River Benue
Motion made and Question proposed:

The House:

Informed that the Federal Government, in 2014 during the regime of President Goodluck Jonathan, approved the sum of twenty five billion Naira (₦25,000,000,000) for the dredging of River Benue with a projected completion period of 2017, but regrets that no tangible work has been done on the project till date;

Aware that following the dredging of River Niger and call for the creation of a turning point at Baro Port, commercial marine activities have sprung up along the route of the river, leading to economic advancement of the area, thus justifying the huge investments of the Federal Government on the venture;

Aware that the dredging and regular maintenance will further ensure that navigable channel is kept open throughout the year with sustainable waterborne transport in the country which is comparatively less expensive, safer and reduces the mindless carnage that has become the trademark of our highways;

Convinced that this project, when completed, will further consolidate the transformation of the inland waterways sub-sector and open, yet another chapter in the country's socio-economic interaction among Nigerians, particularly those along the riverine communities of the benefiting States;

Cognizant that in addition to providing employment for our teeming unemployed youths, the continuous dredging of the River Benue will be a veritable way of generating income, particularly given the prevailing situation of dwindling resources and deficit budgeting which the country is facing;

Resolves to:

- (i) Urge the Federal Ministries of Transportation, Water Resources and Works, Power and Housing to commence, as a matter of urgency, the dredging of the River Benue for the overall economic advancement and transportation needs of Nigerians; and
- (ii) mandate the Committees on Ports, Harbors and Waterways, Water Resources, and Works to ensure compliance (*Hon. Ahmed Abu — Edati/Lavun/Mokwa Federal Constituency*).

Question agreed to.

(IIR. 136/2016).

Motion referred to the Committees on Ports, Harbors and Waterways, Water Resources, and Works, pursuant to Order Eight, Rule 9 (5).

15. Urgent Need for the Federal Airports Authority of Nigeria to Strengthen Security and Checks at the Nation's Airports
Motion made and Question proposed:

The House:

Notes that the world has, in recent time, witnessed occasional plane crashes, which claimed hundreds of lives:

Aware that though those crashes had been attributed to human and mechanical errors; there is generally a sinking feeling that they may not be unconnected with terrorist acts perpetrated at the airports:

Also aware that since the disappearance of a Malaysian plane, the crash of an Egypt Air plane and others, the various authorities charged with security at airports worldwide have strengthened their security apparatus and checks to avoid reoccurrence of such acts;

Further aware that terrorist groups like ISIS, ISL, Al-Shaabab, Boko Haram and others, which usually operate through airports, are fast spreading their dragnets to various countries of the world;

Concerned about a recent report that someone traveling through one of the nation's airports concealed three pistols strapped in a bandaged hand and was successfully wheeled to the point of boarding, before he was discovered;

Also concerned that the lives of travelers could be jeopardized if there are security lapses:

Recognises that though the regulatory authorities responsible for the safety of the airports have been doing their best, there is need for them to employ more modern techniques of detecting criminally minded intending travelers to avoid any untoward incidents:

Resolves to:

Mandate the Committee on Aviation to liaise with the Federal Airports Authority of Nigeria (FAAN) and other regulatory authorities to organize a stakeholders' meeting so as to come up with efficient and modern techniques of detecting criminally minded persons within the precincts of the nation's airports, and report back to the House within six (6) weeks for further legislative action (*Hon. Sergius Oseasochie Ogun -- Esan Northeast/Esan Southeast Federal Constituency*).

Debate.

Agreed to.
