Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

The Indiscriminate Collection of Taxes, Tenement Rates and Other Rates in Federal Capital Territory (FCT):

The House:

Notes that certain individuals have in various guises, engaged in forcefully collecting Taxes and Tenement rates without the consent of the relevant authority;

Aware that the said taxes and tenement rates have been authorised by Acts of the National Assembly, i.e. the taxes and levies (approved list for collection) Act and the FCT Internal Revenue Service Act, 2015;

Also aware that the said rates are arbitrarily collected by individuals brandishing forged court documents and threatening to lock up premises of defaulters;

Worried that this act portends an affront on the FCT Internal Revenue Service Act and Tax Laws of the Federation and is aimed at defrauding the unsuspecting members of the public in these days of recession;

Also worried that, the FCT Internal Revenue Service, the Agency empowered by the law to collect taxes and rates in the FCT has not been set up, thus allowing all manner of individuals or groups to hit the streets of Abuja brandishing all kinds of receipts and collecting all sorts of money from unsuspecting innocent, law abiding residents;

Resolves to:

- (i) urge the Minister of the FCT to direct those engaged in this arbitrary collection to desist forthwith;
- (ii) also urge residents of the FCT to cease forthwith, payment of any such tenement rates and property taxes;
- (iii) mandate the Committee on FCT to investigate this activity and determine why this has been illegally going on with the aim of bringing perpetrators to book and report back to the House within 2 weeks; and
- (iv) also mandate the Committee on FCT to find out why the FCT Internal Revenue Service and its management is yet to take off to date despite previous resolutions of this House (*Hon. Orker-Jev E. Y. — Buruku Federal Constituency*).

Debate.

Agreed to.

- (ii) ***The Need to Review the Abuja Master Plan and the Demolition of Small and Medium Business within Federal Capital City:***
Hon. Nnenna Elendu-Ukeje (Bende Federal Constituency) introduced the matter and prayed the House to:
- (a) consider and approve the matter as one of urgent public importance; and
 - (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

The Need to Review of the Abuja Master Plan and the Demolition of Small and Medium Businesses within Federal Capital City:

The House:

Notes with concern that in the past month, the Federal Capital Territory and its agencies have engaged in demolition of business premises within the Federal Capital City;

Aware that Abuja is a planned city was built around a well conceived and articulate master plan in 1979, which conceptualised an inclusive, integrated and sustainable city; a city of a projected population of about 3million people;

Also aware that the last review of the Abuja master plan was in 1999;

Further aware that as at 2006 census, the population of Abuja was put at about 776,000 people;

Cognizant of the fact that United Nations figures states that between 2000 and 2010, Abuja experienced phenomenal growth of 139.7% making it the fastest growing city in the world at a population of 3million people;

Also notes that a further annual growth of 35% due in part to urban drift, migration due to insecurity, economic and social migration has left the population of Abuja hovering at about 6.5 million people, projected to hit 10million in 2018;

Recalls that there have been repeated calls for a review of the Abuja master plan as stipulated in the Abuja master plan to reflect present day realities as the present has ambushed the Abuja utopia dream;

Also cognizant of the fact that certain deviations to the original plan for example NNPC plaza, military barracks, Shehu Musa Yar'Adua centre, Asokoro expressway, drainage infractions in Apo area that have significantly altered the Abuja master plan remain unchecked as they have been explained to be expedient at the time, we watch with dismay as small and medium businesses have become the focus of the demolition exercise;

Concerned that figures released this week by the National Bureau of Statistics shows that the country is moving from recession to depression following consecutive quarters of negative growth;

Aware of the fact that as a nation we need to create 30million jobs for our teeming population;

Resolves to:

- (i) urge the Hon. Minister of FCT to immediately commence the review of the Abuja master plan to reflect the social, economic and demographic realities of this present time;
- (ii) also urge the Minister of Finance, Minister of National Planning and the Economic team to develop an economic model that seeks to formalise the informal sector, promote a financial inclusion, allow for transmission of monetary policy as well as boost revenue generating capacity of this hitherto ignored but critical sector of our economy;
- (iii) further urge the Hon. Minister of FCT to direct the Department of Development Control to stop all further demolition of small and medium businesses within the Federal Capital City pending the outcome of engagement with the House Committee on FCT; and
- (iv) mandate the Committee on FCT to engage the Hon. Minister of FCT and the relevant agencies of the ministry the above recommendations and report back to the House in two weeks (*Hon. Nnenna Elendu Ukeje — Bende Federal Constituency*).

Debate.

Hon. Abubakar Hussaini Moriki (Shinkafi/Zurmi Federal Constituency) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Call on the Federal Government to Address the Security Challenges in Zamfara State:

The House:

Informed that security challenges in Zamfara State have further worsened. This was due to the recent reports of incessant kidnappings, and other banditry activities in many parts of the State;

Aware that as a result of these activities of armed bandits, many people have been kidnapped, killed, houses burnt and properties worth millions of Naira were lost;

Also informed that, just between Wednesday, 16 and Tuesday, 22 November, 2016, about sixty five (65) people were killed and many hospitalized in Shinkafi and Zurmi Emirates of Shinkafi and Zurmi Local Government Areas. Beside this, many houses, food silos, and other properties were burnt and/or stolen by the armed bandits. Indeed, as I am reporting now, search for people who fled their houses continued, with a view to verify whether they were killed or migrated to other safe places;

Also aware and appreciated that the State Government had taken series of security and administrative measures to address the situation and that normalcy was gradually returning in the affected areas of Dole Moriki, Tudun Bugaje, Tubali, Galadi, Katuru, Sabon Gida and other villages too many to mention. However, the communities still live with too much fear and many of them are in panic atmosphere;

Concerned that Zamfara State is seriously facing insecurity challenges ranging from cattle rustling, robbery, kidnapping and other armed banditry activities which was largely because of the porous nature of the State's borders with other States, and Niger Republic;

Also concerned that the State has a military formation but not to the status of a fighting battalion, thus, it is constrained to provide the much needed military fighting status in period of threats like those the State is facing now;

Resolves to:

- (i) urge the Federal Government to urgently address the insecurity challenges confronting Zamfara State;
- (ii) also urge the Defence Headquarters to urgently establish a military fighting battalion in Zamfara State in order to rescue the people from the current incessant armed banditry attacks on lives and properties in the State;
- (iii) observe a minute silence as a mark of respect and prayer in honour for those who lost their lives in the recent armed bandit attacks on the people of Dole Moriki, Tudun Bugaje, Sabon Gida, Tubali, Galadi, Kwangwami, and Katuru towns/villages in Zurmi and Shinkafi Local Government Areas; and indeed all other Local Government Areas of the State; and
- (iv) further urge the National Emergency Management Agency (NEMA) to provide relief assistance to the affected communities in order to salvage them from the predicament they found themselves arising from the armed banditry attacks (*Hon. Abubakar Hussaini Moriki — Shinkafi/Zurmi Federal Constituency*).

Debate.

Notes that Section 5 (1) of the Federal Radio Corporation of Nigeria Act provides that "it shall be the duty of the Corporation to provide independent and impartial radio broadcasting services for general reception within Nigeria and to provide external services for general reception in countries outside Nigeria;

Also notes that the Act makes it mandatory for the FRCN to provide radio services in all nooks and crannies of Nigeria to enable Nigerians have accurate information about government programmes and policies;

Concerned that the entire Oke-Ogun area of Oyo State which comprises more than ten Local Government Areas and has an estimated population of over three million people is completely cut off from FRCN radio signals, but receive signals from radio stations in the Republic of Benin and Togo;

Resolves to:

Urge the Committee on Information, National Orientation Ethics and Values to liaise with the Federal Radio Corporation of Nigeria (FRCN) to work out modalities for the establishment of a Federal Radio Corporation of Nigeria Radio Station in Saki, headquarters of Saki West Local Government, Oyo State, and report back to the House within four (4) weeks for further legislative action (*Hon. 21. **Call for Intensification of Sensitization on the Mitigation and Adaptation of Climate Change in the Nigerian Agricultural Sector**

Motion made and Question proposed:

The House:

Aware that the Inter-Governmental Panel on Climate Change (IPCC) identified Nigeria as a Climate Change "hot spot" likely to witness major shifts in weather conditions in the twenty first century;

Also aware that a special report of the Institute of Peace of the United States of America indicated that Nigeria's climate is likely to witness growing shifts in temperature, rainfall, storms and sea levels throughout the twenty first century;

Notes the claim by the Federal Ministry of Environment that between 1997-2012, about ten percent of Nigeria's total forest cover was denuded by climate change;

Recalls the report of the National Emergency Management Agency in 2010, that over 250,000 Nigerians were displaced by flood disasters that ravaged many communities across the country;

Observes that in the developing countries such as Nigeria, the impact of climate change on agriculture induces new challenges in the campaign against extreme poverty and diseases;

Acknowledges that the challenge of climate change on agriculture will make it difficult for Nigeria to achieve the targets it set out in the vision 20:2020 and the Sustainable Development Goals (SDGs) as these challenges somewhat threaten the progress already made in the fight against extreme poverty and diseases;

Concerned that almost 70% of Nigeria's work force is engaged in agriculture and 42% of its Gross Domestic Product (GDP) is derived from agriculture which has manifested evidence of vulnerability to climate change owing to degradation of the eco-system and reduced availability of water and flooding;

Also concerned that poor response to climate change creates shortages of resources such as land and water which in turn fuels violent conflicts, hunger and diseases;

Further concerned that the consequence of Climate Change is more severe on peasant farmers, thus giving rise to the need to strengthen that most vulnerable group in the agricultural production chain with requisite information necessary for adaptation to, and mitigation of climate change in order to help them achieve the optimal goal of boosting agricultural production;

Resolves to:

- (i) urge the Federal Government to carry out public awareness campaigns on the effects of climate change so as to enable Nigerians, especially the farmers to adapt to climate change in order to mitigate its effects, and also to adjust their farming programmes periodically in that regard;
- (ii) also urge the Federal Government to increase Nigeria's Carbon Credit Capacity through investments in projects geared towards reduction in carbon emission; and
- (iii) mandate the Committee on Climate Change to ensure compliance and report back to the House within twelve (12) weeks for further legislative action (*Hon. Emmanuel Ukoette — Ukanafun/Oruk Anam Federal Constituency*).
