MOTIONS

6. **Urgent Need to Address the High Rate of HIV Infections at the Internally Displaced Persons (IDP's) Camps in the North East Zone**

Hon. Aishatu Jibril Dukku

The House:

Notes that recent records from the Borno State Agency for the Control of HIV/AIDS (BOSACA) shows that 512 new cases of HIV infections were recorded at the Internally Displaced Persons (IDP'S) camps in the State;

Also notes that official records had earlier shown that no fewer than 5,000 IDPs in 27 camps in the State are currently living with the virus;

Aware that the insurgency by the Boko Haram sect was the biggest threat to health care services across the North-East Zone in that assessment results showed that none of the 27 camps were providing HIV/AIDS awareness campaign, antiretroviral refills and continuous HIV counselling or testing, as a result of which only a portion of those infected with the virus can access treatment while only 32 out of the 90 antiretroviral centres are still operational in the State;

Also aware that the Humanitarian Charter and Minimum Standards in Humanitarian Response (SPHERE) recommends the provision of antiretroviral drugs to either internally displaced people or refugees as a minimum standard for health services in crisis situations;

Concerned that the rate of sexual abuse and exploitation at the camps by unscrupulous camp officials in the form of sex for “money”, “food” and “freedom of movement” in and out of the camps and rape being perpetrated by members of the host communities and older IDPs are largely responsible for the high rate of sexually transmitted diseases (STD's) and HIV infections and AIDS ravaging the camps;

Resolves to:

Mandate the Committees on Internally Displaced Persons, Refugees and Initiatives on North-East Zone (IDP's) and Healthcare Services to assess the problems and make appropriate recommendations on ways to ameliorate them and report back to the House in four (4) weeks for further legislative action.

7. **Call for Halt to the Harassment and Extortion of Motorists by the Police on the Matter of Renewal of Vehicle Tinted Glass Permit**
Hon. Henry Daniel Ofongo

The House:

Notes the announcement by the Nigeria Police Force that owners of vehicles with tinted glasses should renew the permits for the use of the vehicles;

Aware that most vehicles with tinted glasses are factory fitted following scientific research showing the need to prevent ultra-violet rays from affecting the eyes and skins of motorists while driving in the vehicles, and also to protect the upholstery/leather and other accessories in the cars;

Also notes that a tinted glass permit is neither a vehicle licence nor a driver's licence that requires renewal, therefore, there should be no need for renewal of such tinted glass permits so long as vehicle owners had obtained such permits in the past;

Concerned that vehicle owners are facing so much harassment and extortion from police personnel on the roads who are demanding for the renewed tinted glass permits;

Resolves to:

- (i) Urge the Inspector-General of Police to stop the directive for the renewal of tinted glass permits to stave off harassment and extortion of motorists plying the highways;
- (ii) Mandate the Committee on Police Affairs to ensure implementation and report back within four weeks for further legislative action.

CONSIDERATION OF REPORT

8. A Bill for an Act to Repeal the Ahmadu Bello University (Transitional Provisions) Act, Cap. A 14, Laws of the Federation of Nigeria, 2004 and for Other Related Matters (HB. 260) (*Hon. J. Agom Jarigbe*) (*Committee of the Whole: 13/10/2016*),
