MOTION

2. **Need to Encourage the Use of Indigenous Languages in the Nation's Educational Institutions:**
Hon. Mark Terseer Gbillah:

The House:

Notes that language is a symbol of cultural identity and heritage and that Nigeria has over two hundred and fifty (250) local languages but English is the official language;

Aware that the educational curriculum makes the study of foreign languages compulsory in primary and secondary schools but our indigenous languages are not accorded the same status;

Also aware that the Curriculum from the National Universities Commission makes it compulsory for Financial/Business courses to have two foreign languages components with effect from September 2017;

Concerned by the primacy of place the nation's educational curriculum accords foreign languages by compelling institutions, including primary, secondary and tertiary to teach them, thereby promoting foreign rather than indigenous languages;

Resolves to:

- (i) urge the Federal Ministry of Education, the Nigerian Educational Research and Development Council (NERDC) and the National Universities Commission (NUC) to replace foreign languages with indigenous languages where they had been made compulsory in courses other than language courses/ degrees and make foreign languages optional for students pursuing Financial/Business degrees; and
- (ii) mandate the Committees on Basic Education and Services and Tertiary Education and Services to ensure implementation and report back in six (6) weeks for further legislative action.
