MOTION

7. **Call for More Security Checkpoints on Hawan Kibo Road in Plateau State:**
Hon. Beni Lar:

The House:

Notes that Hawan Kibo road is a major link between Kaduna, Plateau, Bauchi, Gombe and Adamawa States and is usually busy as it is used in the transportation of goods to and from the States;

Aware that the road is narrow and surrounded by mountains and thick forests, thus making it a conducive place for criminals to carry out their nefarious activities of robbing and killing travelers;

Concerned that if security is not beefed up along the stretch of the road, the negative impact of the activities of the criminals will continue to hurt the country's economy as socio-economic activities between the affected States will be severely hampered;

Resolves to:

Mandate the Committee on Police Affairs to liaise with the Nigeria Police Force to, as a matter of urgency, increase the number of security checkpoints on the road to ensure safety of travelers and report back within three (3) weeks for further legislative action.
