Hon. Raphael Nnanna Igbokwe:

The House:

Recalls that on Wednesday 7 December, 2016, the House constituted an *Ad-hoc* Committee to interface with the Federal Ministry of Petroleum Resources on the Review of the Price of Premium Motor Spirit (PMS);

Also recalls that the *Ad-hoc* Committee was mandated to interface with the Federal Ministry of Petroleum Resources on the review of the price of PMS and such other related matters and report back within eight (8) weeks for further legislative action;

Informed that the *Ad-hoc* Committee has carried out work on the referral and presented an Interim Report on Wednesday, 8 November, 2017 but owing to the sensitive nature of the assignment and the voluminous amount of data collected which are being carefully analyzed, the *Ad-hoc* Committee has not presented its final Report in accordance with Order Seventeen, Rule 3(g) of the Standing Orders of the House:

Resolves to:

Grant the *Ad-hoc* Committee an extension of time of one (1) week to enable it conclude the assignment and present its final Report for further legislative action

6. Need to Investigate the National Insurance Commission (NAICOM), over Alleged Maladministration and Financial Misappropriation leading to Labour/Management Rift:

Hon. Chris Emeka Azubogu:

The House:

Notes that the National Insurance Commission Act, Cap. N53, Laws of the Federation of

Nigeria, 2004 and the Insurance Act, Cap. I 17, Laws of the Federation of Nigeria, 2004 confer regulatory role on the National Insurance Commission (NAICOM) to ensure proper and efficient administration of the Commission and also oversee and regulate the Insurance Industry which are responsibilities that require the Commission to ensure probity and accountability in its financial appropriations and expenditure of public funds;

Also notes the grave allegation that the Commissioner for Insurance and the Chief Executive of NAICOM, Alhaji Mohammed Kyra was indicted for maladministration at a one-time government agency, NICON Insurance and was barred from holding any public office relating to insurance and financial institutions;

Concerned about the allegation by the Labour Union at NAICOM bordering on maladministration and financial improprieties at the Commission that led to a rift between the Management and the Union which is adversely affecting the affairs of the Commission;

Resolves to:

Set up an *Ad-hoc* Committee to investigate all matters relating to financial improprieties and indictment allegedly levelled against the Head of the National Insurance Commission (NAICOM) and report back in four (4) weeks for further legislative action.

**7. Call for Environmental Audit of the Coastal Areas of Nigeria:
Hon. Randolph Iwo Oruene Brown.**

The House:

Notes that the Coastal Areas of Nigeria, most of which host the Oil and Gas industries that are sustaining the nation's economy, are integral parts of Nigeria as an entity;

Also notes that the assailability of the coastal areas owing to the devastating effects of exploration and exploitation of oil and gas and vagaries of nature is inevitable, hence the need for regular environmental audit and assessment of the coastal areas;

Cognizant that such routine environmental audit will create a sense of belonging for the host communities, thereby encouraging patriotism and a harmonious atmosphere within which effective exploration of oil and gas in the communities can take place, thus eliminating cases of sabotage, oil spillage etc;

Resolves to:

Mandate the Committees on Environment & Habitat and Climate Change to interface with officials of the Ministry of Environment, the National Environmental Standards and Regulations Enforcement Agency, the National Oil Spill Detection and Response Agency, the Department of Climate Change and Multi-national Companies operating in the coastal areas of Nigeria on the environmental impact and the last detailed environmental audit carried out on the effects of their activities on the environment and report back within four (4) weeks for further legislative action.

8. Urgent Need to Conduct Demographic Survey of Police Officers and Create More Police Stations to Tackle the Current Security Challenges in the Country:
Hon. Jimoh Abdulraheem Olajide:

The House:

Notes that Nigeria is currently facing enormous security challenges which are partly caused by the astronomical increase in the population of the country that is not matched with corresponding increase in the number of security personnel, thus making it difficult to effectively police the nation and guarantee citizens prompt access to security personnel;

Also notes that as a result of shortage of police and other security personnel, many criminal offences are being committed on a daily basis, especially in the rural areas, without the law enforcement agents being present to arrest the situation;

Further notes that owing to lack of review of data of police personnel, there is an appalling proliferation of fake police officers as evidenced in the arrests of dismissed police personnel still parading themselves as police officers while in police uniform and in possession of police accoutrements;

Recalls the report that the Inspector General of Police had, on 16 May 2017, stated that policemen would be deployed to their communities of origin in order to bridge the gap between the police and the populace and also enhance community policing;

Convinced that there is need for recruitment of additional police officers, creation of more police stations and out-posts at the urban and rural areas to match up with the current increase in the population of the nation;

Resolves to:

- (i) Call on the Nigeria Police Force to create more police stations and out-posts in the urban and rural areas for a more effective and community-based policing to ensure the safety and welfare of the citizens;
- (ii) Mandate the Committee on Police Affairs to convene a stakeholders meeting, in collaboration with relevant interests, to identify the problems confronting the police and challenges of policing the nation with a view to proffering solutions to them in the interest of the nation.
