MOTIONS

6. **Need to Address the Persistent Loss of Lives on the Abandoned Ogbomoso-Oyo Federal Road:**
Hon. Odebunmi Olusegun Dokun

The House:

Notes that Ogbomosho – Oyo road is a major section of the Ilorin – Ibadan Federal Road connecting two States of Kwara and Oyo in the North – Central and South – West geo-political zones respectively;

Aware of several appeals to the Federal government to complete this section of the road, and the refusal of government to honour promises made in that regard;

Disturbed of the reoccurring accidents on the road and in recent time the one involving a trailer, which crushed commuter vehicles on two different occasions within seven (7) days that led to the death of about ten (10) persons, including three (3) School Principals (out of whom, one(1) was due for retirement on the day of the accident;

Convinced of the need to revisit the abandoned Ogbomoso – Oyo Federal Road in order to avert further loss of human lives due to frequent accidents on the Road;

Resolves to:

- (i) Observe a minute silence in honour of the departed souls;
- (ii) Mandate the Committee on Works to liaise with the Federal Ministry of Power, Works and Housing to ensure speedy completion of the road through adequate funding in the 2018 budget and report within four (4) weeks for further legislative action.

7. **Call on the Nigerian Liquefied Natural Gas (NLNG) to take over the Bodo-Bonny Road Project in Consideration of Tax Rebate:**
Hon. Randolph Iwo Oruene Brown.

The House:

Notes that Nigeria derives immense benefits from the oil and gas industry that is being exploited by companies which include the Nigeria Liquefied Natural Gas (NLNG) situated on the Bonny Island, in the Bonny Local Government Area of Rivers State;

Also notes that despite the location of a company of such importance to the Nigeria economy on the Bonny Island and the obvious devastating effects of oil and gas exploration on the community, Bonny Island has no road linking it to the outside world;

Aware that at the current time where sea piracy and kidnappings are rife in the country, the indigenes of Bonny Island are linked to the outside world only either through the internet, by sea or by air and the flights, in this case, are only for a select few elite or high ranking officers of the oil and gas industries on the Bonny island;

Also aware that the Federal Government recently, flagged off the construction of the Bonny-Bodo Road which will link Bonny to the outside world by road, a long overdue project which therefore should not be allowed to suffer the same faith as it had been subjected to in the past;

Cognizant that the NLNG has undertaken to bankroll 50% of the project and recalling previous failed attempts at executing the project, there is a need to appeal to the Federal Government to grant a tax incentive to the Company to enable it take over the entire Bony-Bodo road project;

Recalls that the Minister of Power, Works and Housing, recently signed an agreement to hand over the Apapa area comprising Creek Road, Liverpool Road, Marine Beech, Mile 2 Oshodi, Oworonshoki to the Lagos end of the toll gate on the Ibadan Express way to Dangote Group for construction through tax incentive policy for individuals to benefit from tax remission and to recover investments made on public infrastructure like roads which other members of the public can utilize;

Appreciates Government plan to review the five-year limit on tax to a ten-year period to sustain private investment in road infrastructure being a long term asset;

Acknowledges that tax rebate if granted will not only prompt and encourage the NLNG to take over the portion of the Bonny – Bodo road project but would equally facilitate and ensure a quick completion and delivery of the project;

Resolves to:

- (i) Urge the Federal Government to grant tax rebate to NLNG to enable them takeover the portion of the Bonny–Bodo road project to ensure an uninterrupted project delivery;
- (ii) Mandate the Committees on Works and Finance to monitor and ensure compliance

8. Urgent Need to Investigate Issues of Modern Slavery, Human Trafficking, Domestic Servitude and Forced Labor of Nigerians at Home and Abroad:

Hon. Samuel Ikon

Hon. Mojeed Alabi

Hon. Isyaka Ibrahim Ayokunle

The House:

Notes that Modern Slavery, human trafficking, organ trafficking, domestic servitude, forced labor, and several cases of sexual exploitation of Nigerians in and outside the country;

Aware of the statistics released by the UN migration organization publication in 2017, which have shown that a great percentage of Nigerian women and girls are trafficked in and out of the country for several reasons with an estimated figure of 20 million persons as victims of modern slavery in 2016;

Further notes that recently, there have been several reports in the media about how Nigerians are faced with severe slavery challenges without the needed intervention from the Federal Government to address the root causes of the problem.

Also aware that the reason for this global embarrassment is that the Government of Nigeria has paid little or no attention to boarder security, and has also failed to educate the public on re-orientation and re-integration programs for victims.

Observes that despite the huge appropriated budgetary provision yearly, relevant agencies such as NAPTIP, the issues of modern slavery, human trafficking and forced labor still abate in the country.

Resolves to:

Mandate the Committees on Human Rights and Foreign Affairs to investigate the issues of modern slavery, Human Trafficking, Domestic servitude and Forced Labour and report back in six (6) weeks.

**9. Need for an Appraisal and Submission of List of Ratified Treaties:
Hon. Sergius Ose Ogun:**

The House:

Notes that Nigeria has ratified over 310 Treaties in the International Community framework which are meant to provide lucidity in their application and defined direction to domestic courts in their interpretation with a view to offering investment opportunities, defense, and advocacy of rights;

Observes that the nation has been active in the area of ratification of Treaties, but passive in domesticating them into national laws as only a select few have been so domesticated and integrated into our national values;

Aware that non-domestication of Treaties into national laws means that the populace are not sensitized as to their rights and privileges under the Treaties, thereby lacking any knowledge of the Treaties signed, and in the event of any violation of the rights enshrined, violators may not be held liable;

Also aware of the powers of the National Assembly in section 12 of the 1999 Constitution to domesticate all Treaties into national laws but concerned that it does not have information of the accurate list of Treaties signed by the Federal Government;

Recalls that the Federal Executive Council (FEC) recently announced the withdrawal of Nigeria's from participation and membership of 90 Treaties;

Informed that despite the amount budgeted for International Organizations in the tune of N6 Billion in 2015, N6 Billion in 2016 and N10 Billion in 2017, Nigeria still has a backlog of \$120 million in membership dues to the International Organizations;

Cognizant of the economic and human rights benefits accruable in the ratification of crucial Treaties and the detrimental effects of signing certain Treaties;

Resolves to:

- (i) Urge the Federal Government to submit the current list of Treaties ratified and those that Nigeria has withdrawn its membership to the National Assembly;
- (ii) Mandate the Committee on Treaties, Protocols and Agreements to:
 - (a) ensure the domestication of such Treaties entered by the Federal Government and compliance thereof;
 - (b) investigate the dues being owed by the Federal Government against the backdrop of previous monies allotted for payment for memberships of such International Organizations and report within eight (8) weeks for further legislative action.
