Garba Datti Mohammed*) – *Second Reading*.

MOTIONS

21. **Devastating Thunderstorm at Biseni Community in Yenagoa Local Government Area of Bayelsa State:**
Hon. Diri Douye:

The House:

Notes the devastating thunderstorm that occurred on the 5 March, 2018 in Biseni Community in yenagoa Local Government Area of Bayelsa State;

Also notes that as a result of the storm, Houses, Schools, places of Worship, Hospitals, Electric poles, as well as farm produce were destroyed;

Further notes that Biseni is a hub of Oil and Gas activities, hosting Shell Petroleum Development Company (SPDC) and the Nigeria Agip Oil Company (NAOC);

Concerned that despite the devastating effect of the storm, the Community has not received any relief materials to ameliorate its sufferings and losses;

Also concerned that the livelihood of the inhabitants of Biseni Community who are predominantly farmers, have been cut off as a result of the storm that destroyed their farm produce/cultivated land, and also the lack of response from Government, National Emergency Management Agency (NEMA) and other donor agencies to provide relief materials and succor;

Disturbed that if urgent steps are not taken to ameliorate the sufferings of those affected by the storm, it may lead to loss of academic calendar of schools, homelessness and potential famine in Biseni community;

Worried that the community has been in blackout as a result of electricity poles uprooted by the thunderstorm across the community, and it poses great danger with exposed cables which may result in electrocution, if the Port-Harcourt Electricity Distribution Company fails to remove/replace those poles;

Also worried that if this disaster is not addressed timeously, the operation of the Nigeria Agip Oil Company (NAOC), Shell Petroleum Development Company (SHELL) and other National assets in that community may be in jeopardy.

Resolves to:

- (i) Call on the National Emergency Management Agency (NEMA) to provide relief materials to Biseni community, and also call on the Port-Harcourt Electricity Distribution Company (PHEDC) to equally move into the Community and ensure that the exposed cables and poles are replaced immediately and electricity is restored;
- (ii) Urge International Oil Companies (IOCs), Nigeria Agip Oil Company (AGIP), Shell Petroleum Development Company (SHELL) and the Non-Governmental Organisations (NGOs) to assist the community;
- (iii) Mandate the Committees on Emergency and Disaster Preparedness and Legislative Compliance to ensure compliance and report back in four (4) weeks for further legislative action.

22. **Need to Implement the Great Green Wall Initiative Programme in Nigeria:**
Hon. Beni Lar.

The House:

Notes that desertification is one of the major environmental challenges threatening the livelihood of millions of Nigerians as it is adversely affecting agricultural practices, especially in the area of livestock production and the worst affected States are Adamawa, Bauchi, Borno, Gombe, Jigawa, Kano, Katsina, Sokoto and Yobe;

Also notes that as a result of desertification, herdsmen from the affected areas are forced to migrate to other parts of the country in search of pasture resulting to incessant clashes between herdsmen and farmers;

Recalls that the Great Green Wall Initiative was launched in 2007 by the African Union (AU) with the aim of tackling detrimental social, economic and environmental impacts of land degradation and desertification in the Sahel and Sahara, boost food security and support local Communities to adapt to climate change;

Also recalls that the concept of the Great Green Wall as a tool to combat ecological degradation in Nigeria was conceived in 2005 by Former President Olusegun Obasanjo supported by Former President Abdoulaye Wade of Senegal;

Further notes that the Great Green Wall is a programme that aims at planting trees and other vegetation in the arid region in order to reclaim it from the desert and also makes provisions for Lakes, Dams and Irrigation facilities to sustain the trees and farms;

Cognizant that in June, 2010, Nigeria among other African Countries signed a convention in Ndjamen, Chad to implement the Great Green Wall project;

Concerned that the Great Green Wall Project in Nigeria exists only in name as, instead of reclamation of desert, it is rather expanding and gaining more territories;

Believes that if nothing is done to forestall further desert encroachment by implementing the Great Green Wall Initiative, clashes between herdsmen and farmers will be on the increase;

Resolves to:

- (i) Urge the Federal Government to make adequate budgetary allocation to the National Agency for the Great Green Wall in order to enable it achieve its objectives;
- (ii) also urge the Federal Ministries of Environment and Water Resources to fast track the implementation of policies, projects and programmes in line with the Great Green Wall Initiative;
- (iii) Mandate the Committee on Environment and Habitat to investigate the non-implementation of the Great Green Wall Initiative in Nigerian and report back in eight (8) weeks for further legislative action.

23. Need to Take Urgent Steps Against Sea Piracy, Kidnapping and Other Related Crimes in Ogbia Federal Constituency:

Hon. Sodaguwo A. Festus-Omoni:

The House:

Notes that sea piracy, kidnapping and other related crimes along the waterways and towns in Ogbia Federal Constituency are becoming alarming;

Aware that lives and valuable property have been lost due to the activities of these criminals;

Also notes that Section 14(2) (b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) provides that the security and welfare of the people shall be the primary purpose of government;

Disturbed that in the recent past, sea pirates unleashed mayhem at different locations and towns in Ogbia Federal Constituency, especially in Anyama Ogbia, Ogbia town and other towns and villages;

Concerned that these unwholesome attacks which were reported in both electronic and print media are perpetrated in broad daylight, while some in the cover of darkness and the survivors are currently receiving treatment from various degrees of sustained bullet wounds in various medical outfits;

Also disturbed that the criminals are still operating freely and without effective challenge from the law enforcement agencies, as Police Stations close work once it is 7:30 pm;

Worried that if the activities of these criminals are not checked, more lives will be decimated and valuable properties will continue to be destroyed;

Resolves to:

- (i) Urge the Chiefs of Army and Naval Staff, and the Inspector General of Police (IGP) to deploy personnel to beef up Security in Ogbia Federal Constituency especially along the waterways;
- (ii) Mandate Committees on Army, Navy, Police Affairs and National Security and Intelligence to ensure compliance.
